MEMORANDUM

TO: Selected County and City Superintendents

FROM: Thomas R. Bice
State Superintendent of Education

RE: School Improvement Grant FY 2011 Funds
Title I, Part A, School Improvement Grant Allocation for FY 2012

Congratulations! The Title I, Part A, School Improvement Grant (SIG) application submitted by your school system for school reform Tier I, Tier II, and/or Tier III school(s) is conditionally approved pending completion of the eGAP pre-implementation budget and budget detail for the FY 2012 SIG Application. The budget is to reflect the official, pre-implementation award amount and must receive programmatic approval from the State Department of Education, Federal Programs Section, and budgetary approval by the Local Education Agency (LEA) Financial Assistance Section. The program year for these funds is July 1, 2012-September 30, 2013, and should be budgeted using the FY 2012 and FY 2013 allocations as designated in the attachment. If any funds from the FY 2012 allocation are not needed, you may carry them over to FY 2013 to use with your FY 2013 allocation. The revenue and source code for these SIG funds is 4122, and funds must be requested on the monthly eGAP ES-2 form.

Awards made based on one-year funding must show positive progress toward meeting leading and lagging indicators as well as application benchmarks and goals to determine grant continuation.

Your system will be required to submit an updated SIG budget in eGAP for each fiscal year as appropriated. An eGAP training specific to SIG program expenditures will be delivered as a Webinar via WebEx, and a date will be forthcoming as awards are announced. Appropriate personnel of awarded LEAs will be notified when this training is to take place. Upon approval of the 2012 budget, the federal programs coordinator and chief school financial officer will be notified.

If you have questions or concerns regarding the School Improvement Grant award or implementation of any of the components, you may contact Mrs. Ann Allison by telephone at 334-242-8199 or via e-mail at aallison@alsde.edu.
