Section 12 (p) of the Richard B. Russell National School Lunch Act and 7 CFR 210.14 (e)(7) require school food authorities (SFAs) to report their paid reimbursable lunch prices to the State agency for publication by the Food and Nutrition Service (FNS). Guidance on the submission of paid prices through the School Food Authority Paid Lunch Report (FNS-828) and determination of the most frequently charged price was provided to SFAs and State agencies in SP 18-2012.

This memorandum announces the publication of the paid lunch prices for SFAs participating in the National School Lunch Program for School Years 2012-2013 and 2013-2014. SFAs reported the most frequently charged price for elementary, middle/junior high and high school levels to their State agency. Complete lists of prices for the two school years, as submitted to FNS by State agencies, are attached to this memorandum in two Microsoft Excel worksheets.

State agencies are reminded to distribute this memorandum and attachments to their program operators. SFAs should contact their State agencies with any questions and State agencies should direct questions to their appropriate FNS regional office.
