Understanding Agriculture 101: Leadership in a Changing Food World

Jana Miller, RDN
Manager  School Health & Wellness Programs
with Southeast Dairy
For about a per glass
Milk is one of the most requested and nutrient-rich food items in Feeding America’s food banks, yet there’s a nationwide shortage because milk is rarely donated.

1 in 6 Americans struggle with hunger, including 16 million children.

1 Gallon
Average access of milk per food bank client per year.

68 Gallons
Amount of milk needed to meet the daily recommendation.
