The Alabama State Department of Education is pleased to announce the Summer Learning Challenge—The Summer Learning Challenge encourages students to pledge to read five to eight books selected from a personalized reading list and to actively engage in math practice every day for six weeks. Visit the website: www.alsde.edu/sec/comm/pages/summer-learning to learn more.

The Summer Learning Challenge also raises awareness of the summer loss epidemic, shares compelling research on the importance of personalized reading activities and provides access to a variety of free resources to support targeted reading and math practice. To find a book and sign the Pledge, visit http://www.lexile.com/fab/alabama.

In order to showcase the large amount of reading our students will do this summer, we’d like students to log time spent reading and send in to ALSDE. The student with the most logged hours will be honored at the October State Board of Education meeting.

Any reading program log (from local schools or local community libraries will be accepted. To participate, the minutes must be logged in a printed or electronic document and signed by student and parent or guardian. Please staple this document or attach via email when log is submitted.

Please mail or email this page with Log to:

Alabama Department of Education
50 N. Ripley Street
Room 5307
Attn: Communication
Montgomery, AL 36102
Email: mvaldes@alsde.edu
