GENERAL INFORMATION

As a professional educator certified by the Alabama State Department of Education (ALSDE), it is the educator's responsibility to prevent renewable certificate(s) from expiring by meeting all continuation requirements during the valid period of the certificate.

Requirements to continue a certificate must be completed during the certificate's valid period and by the date of expiration reflected on the certificate. **Certificates will not be continued prior to the calendar year of their expiration.**

The application to continue a certificate must be received in the Educator Certification Section of the ALSDE **between January 1 and June 30 of the calendar year of the certificate's expiration.**

For renewal requirements of Professional Educator Certificates in *Areas Other Than Administration and/or Supervision* or renewable *Career and Technical Type, Level, Specialty Area and Degree Equivalent Certificates*, see the appropriate application at www.alsde.edu/EdCert (click *Certificate Renewal*).

Individuals employed with an Alabama public school system should contact their Human Resource Office to determine eligibility for the ALSDE's Online Renewal process.

Professional Leadership Certificates and/or Professional Educator Certificates in areas of administration and/or supervision may be **continued** with **5** Professional Learning Units (PLUs). There are two categories of approved PLUs: (1) ACLD-approved and (2) locally-approved through either an Alabama city/county superintendent or an administrator of an Alabama nonpublic/private school. Of the required 5 PLUs, at least 2 PLUs **MUST** be ACLD-approved.

Meeting the PLU requirement to continue a Professional Leadership Certificate and/or Professional Educator Certificate *in an area of administration and/or supervision* **will** meet requirements to continue a Professional Educator Certificate in an area *other than* administration and/or supervision or a renewable Career and Technical Certificate. Individuals continuing a renewable Career and Technical Certificate may also have a licensure requirement to meet.

Meeting requirements to continue a Professional Educator Certificate in an area *other than* administration and/or supervision or a renewable Career and Technical Certificate **will not** meet requirements to continue a Professional Leadership Certificate and/or Professional Educator Certificate *in an area of administration and/or supervision*.

PROFESSIONAL LEARNING UNITS (PLUs)

A Professional Learning Unit (PLU) is a content driven, long-term unit of professional study for individuals who hold certification in areas of administration and/or supervision that fully addresses all knowledge and ability indicators under an Alabama Standard for Instructional Leaders (viewable at www.leadershipalsde.com). Professional study that constitutes a PLU must include comprehensive coverage and evaluation of effectiveness in the school setting and requires multiple professional development experiences over time that are aligned with the Alabama Standards for Professional Development (viewable at www.leadershipalsde.com). A PLU is earned at the completion of the professional study. The professional study must include comprehensive coverage and evaluation of effectiveness in the school setting. Professional study that constitutes a PLU must be approved either by the Alabama Council for Leadership Development (ACLD), the Alabama local superintendent, or the administrator of an Alabama nonpublic/private school. Information about earning PLUs may be obtained on the web site of the Professional Learning Section of this Department at www.leadershipalsde.com or by contacting personnel in that office at (334) 694-4883.

2. Graduate credit substituted for a **locally-approved** PLU shall be:

Note: Individuals employed with an Alabama public school system **or** with an Alabama nonpublic/private school **must receive approval** by the city/county superintendent or nonpublic/private school administrator to use graduate credit as a substitute for a locally-approved PLU.

Note: Individuals **not** employed with an Alabama public school system **or** with an Alabama nonpublic/private school will submit approved coursework found at www.alsde.edu/sec/ee/ on official transcripts with their application packet.
