RFD: Education Policy
First Read: 20-MAR-07
ENROLLED, An Act,

To amend Section 16-1-39, relating to the self-administration of asthma medication by public and nonpublic K-12 school students; to authorize the self-administration of additional medications in compliance with State Department of Education and Board of Nursing Medication Curriculum commencing with the 2007-2008 school year; and to specifically prohibit the possession of a controlled substance on school property.

BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

Section 1. Section 16-1-39, Code of Alabama 1975, is amended to read as follows:

"§16-1-39.

(a) Commencing with the 2007-2008 scholastic year, each local board of education and the governing body of each nonpublic school in the state shall permit the self-administration of asthma medications by a student for chronic conditions if conducted in compliance with the State Department of Education and State Board of Nursing Medication Curriculum, as may be amended from time to time by the department and board. Approved medications may be self-administered if the parent or legal guardian of the student provides all of the information outlined in the
Medication Curriculum, including, but not limited to, all of
the following:

"(1) Written and signed authorization for the
self-administration to the chief executive officer of the
school.

"(2) Written and signed acknowledgement that the
school shall incur no liability and that the parent or legal
guardian shall indemnify and hold harmless the school and the
employees and agents of the school against any claims that may
arise relating to the self-administration of asthma approved
medications.

"(3) Written medical authorization that includes all
of the following:

"a. The signature of the attending physician, or his
or her authorized agent.

"b. Confirmation that the student has been
instructed in the proper self-administration of the asthma
approved medication.

"c. The name, purpose, and prescribed dosage of the
medications to be self-administered.

"d. The frequency with which the prescribed
medications are to be administered.

"e. Any special instructions or circumstances under
which the medications should be administered.
"f. The length of time for which the medications are
prescribed.

"(b) All documents provided to a school pursuant to
subsection (a) shall be kept on file in the office of the
school nurse or chief executive officer of the school.

"(c) The local board of education or the governing
body of the nonpublic school shall incur no liability and is
immune from any liability exposure created by this section.

"(d) Permission for the self-administration of
asthma approved medications shall only be effective for the
school year in which permission is granted. Permission for
self-administration of asthma approved medications may be
granted in subsequent years provided all requirements of this
section are satisfied.

"(e) Upon obtaining permission to self-administer
asthma approved medications pursuant to this section, a
student shall be permitted to possess and self-administer
approved asthma medications, according to the orders of the
prescriber, at any time while on school property or while
attending a school-sponsored activity event.

"(f) Nothing in this section shall be interpreted as
permitting a student to possess a controlled substance, as
defined in the Medication Curriculum, on school property."
Section 2. This act shall become effective immediately following its passage and approval by the Governor, or its otherwise becoming law.
