OUR VISION

EVERY CHILD A GRADUATE –
EVERY GRADUATE PREPARED FOR
COLLEGE/WORK/ADULTHOOD
IN THE 21ST CENTURY
Possesses the knowledge and skills needed to enroll and succeed in credit-bearing, first-year courses at a two- or four-year college, trade school, technical school, without the need for remediation.

Possesses the ability to apply core academic skills to real-world situations through collaboration with peers in problem solving, precision, and punctuality in delivery of a product, and has a desire to be a life-long learner.

Objectives

All students perform at or above proficiency and show continuous improvement (achievement/growth).

All students succeed (gap closure).

Every student graduates from high school (grad rate).

Every student graduates high school prepared (college and career readiness).
Plan 2020 STRATEGIES for Learners

• Develop and implement a unified PreK through college and career readiness plan.

• Develop and adopt college- and career-ready aligned standards in all subject areas.

• Create and implement a balanced and meaningful assessment and accountability system.

• Develop and implement a unified School Readiness Plan.

• Align available programmatic and fiscal resources to support local school needs in the area of instruction.

*Gap is defined as the difference between the All Students group and each subgroup (African American, Hispanic, Special Education, Free and Reduced Lunch, and Limited-English Proficient students) in the rate of proficient/graduating students.
Objectives

All students will attend school daily and be engaged in rigorous and relevant learning environments.

All students will develop a sense of personal and civic responsibility to ensure a learning environment that is safe and civil.

All students will be provided with individual and group counseling services.

All students will enter 9th grade prepared and with a 4-year plan that addresses their individual academic and career interest needs.

All students will be provided with healthy meals, physical education, and health instruction supported with needed medical and related services.
Plan 2020 STRATEGIES for Support Systems

• Implement an early warning system for student absences and build a community-based support and intervention system.

• Implement a Positive Behavior Support or other related student and school culture program to support student ownership of their actions that includes alternatives to traditional disciplinary sanctions.

• Implement Alabama’s Comprehensive Guidance and Counseling Plan.

• Develop and implement a Coordinated School Health and Support Program.
Plan 2020 Support Systems

Objectives

Every child is taught by a well-prepared, resourced, supported, and effective teacher.

Every school is led by a well-prepared, resourced, supported, and effective leader.

Every school system is led by a prepared and supported visionary instructional leader.
Plan 2020 STRATEGIES for Professionals

• Redesign and reinvest in the Alabama Teacher Recruitment and Incentive Program (ATRIP).

• Review the admission and certification criteria for Alabama’s teacher preparation programs.

• Provide a comprehensive induction and mentoring program for new teachers.

• Develop and implement a professional growth evaluation system for teachers and leaders that includes multiple measures of student growth and achievement.

• Provide research-based professional growth opportunities for Alabama’s teachers and leaders based on their individual and collective professional learning plans.
Plan 2020 Professionals
Indicators/Targets: Teacher and Leader Preparation

Indicator: By 2016, increase the percentage of effective teacher and leader preparation programs as measured by EDUCATEAlabama, LEADAlabama, and multiple measures of student performance.*

Baseline: TBD
1-year Target: TBD
4-year Target: TBD
8-year Target: TBD

*Assessment Task Force is determining the assessment(s) to be utilized as multiple measure(s) of student achievement. These measures will be utilized to determine the effectiveness of graduates and, by extension, preparation programs.
Objectives

All schools and systems will receive adequate funding to meet the individual and collective needs of their students.

All schools and systems will be resourced and supported based on identified need as determined from the state’s accountability plan and additional indicators at the local level.

Schools and Systems will be granted flexibility to innovate and create 21st century learning environments to meet the individual and collective needs of their students.

Schools and Systems are resourced to create a 21st century learning environment for their students including infrastructure, building renovation/improvements, and technology.
Plan 2020 STRATEGIES for Schools and Systems

• Analyze the current funding formula for public education.

• Develop a differentiated and customized support and intervention system for local school systems.

• Create a policy environment that promotes and rewards performance, innovation, and creativity.

• Conduct a study of existing capital outlay needs for school systems.
Plan 2020 Schools and Systems

Indicators/Targets: A-F Report Card

Indicator: Increase the percentage of schools/systems rated at or above standard on the Revised Alabama Accountability System/Report Card once a baseline is set.
Baseline: TBD 2017
1-year Target: Revise school/system accountability system/report card to align with Alabama’s revised accountability system.
Indicator: By 2016, increase the number of systems designated as an Innovation School System.

Baseline: 2
1-year target: 13*
4-year target: 39*

*The Alabama Accountability Act provides systems with the flexibility necessary to enact innovative programs. The one year target is for 10% of Alabama’s school systems to take advantage of the flexibility provided for in the act. Future targets will be adjusted based on first year data. This is a cumulative count including previous year’s Innovation School System count.

“We can whenever we choose successfully teach all children whose schooling is of importance to us. We already know more than we need to do that. Whether or not we do it must finally depend on how we feel about the fact that we haven’t so far.”
