MEMORANDUM

TO: City and County Superintendents of Education

FROM: Thomas R. Bice
State Superintendent of Education

RE: 2013 Prevention and Support Services Section Laws and Policy Updates

During the 2013 legislative session, new or revised laws related to school safety, mandatory reporting requirements, and the functionality of the Alabama Student Assistance Plan were passed. The Prevention and Support Services Section has created a PowerPoint presentation to provide guidance on the laws and other services rendered through the Alabama State Department of Education, Prevention and Support Services Section.

You may access the PowerPoint presentation by going to the following link:
