MEMORANDUM

TO: City and County Superintendents

FROM: Thomas R. Bice
State Superintendent of Education

RE: Leveraging of Public School Funds (PSF)
Act No. 98-373

Any system that is interested in leveraging any portion of its FY15 Public School Funds for capital improvements must complete the enclosed form and return it to E. Perry Taylor, State School Architect, by September 3, 2014. If your system does not intend to leverage, or if your system has previously leveraged and does not intend to leverage any additional funds, please sign in the space provided below and return this letter to him.

For analysis purposes only, it is estimated that $100,000 pledged annually for 20 years will generate approximately $1.3M/1.4M for immediate capital expenditures. Any multiple of $5,000 may be leveraged (not to exceed 80% of PSC allocation). If your system has previously leveraged and intends to leverage additional funds this year, the combined amount of funds to be leveraged may not exceed 80% of your PSF allocation. Every effort will be made to have only an interest payment in FY15.

As always, Perry will be glad to assist you concerning any matters relating to this activity. Please contact him at (334) 242-9731 or by fax at (334) 353-5614.
