MEMORANDUM

TO: City and County Superintendents of Education

FROM: Thomas R. Bice
State Superintendent of Education

RE: 2016 National Missing Children’s Day Poster Contest

Each year more than 1.3 million children are reported missing. Law enforcement, citizens, and even children have been instrumental in keeping children safe and returning them home to their families, community, and school. Every year the U. S. Department of Justice (DOJ) takes time to commemorate the valiant and unselfish acts of the many organizations and individuals who bring our missing children home. On May 25, 2016, National Missing Children’s Day, we pause to focus our attention on children who have been recovered, as well as the children who are still missing.

Each year the DOJ sponsors a national poster contest and announces the winner at the annual National Missing Children’s Day Ceremony in Washington, D. C. The winner of this national contest, along with his or her teacher, and parents are flown to Washington to participate in this special ceremony. I invite you to join us in our efforts to educate children across the country about safety issues by giving our fifth-grade students an opportunity to participate in this poster contest. The theme for the poster contest is “Bring Our Missing Children Home.”

We hope that your system will join in this exciting and important national competition. A suggested timeline for school-level and system-level contests is attached. Please note that the deadline for each local education agency (LEA) to submit system-level winners to the Alabama State Department of Education (ALSDE) is February 9, 2016. The single winning poster for the state of Alabama will then be submitted to the DOJ for final judging. The state winner will be recognized at Alabama’s State Board of Education meeting.

If you have any questions or need additional information about this important national contest, please send an e-mail to mc.day2012@fycd.edu or contact Dr. Carolyn E. Townsend by telephone at 334-353-1191 or via e-mail at ctownsend@alsde.edu. A complete packet of information can be found at http://mecptraining.org/poster-contest/poster-contest-resources/. Please share this information with all fifth grade teachers in your system. Thank you in advance for your support. Together we can insure the safety and security of children across the country.
