MEMORANDUM

TO: City and County Superintendents

FROM: Thomas R. Bice  
       State Superintendent of Education

SUBJECT: Report of Certificate Invalidations and Probations
(Note: One certificate holder has been removed from the original version.)

The Alabama Code, Section 16-23-5(a)(1975), provides, in part, that "[t]he State Superintendent of Education may revoke any certificate issued under this chapter when the holder has been guilty of immoral conduct or unbecoming or indecent behavior." Additionally, under the Alabama Administrative Code, Rule 290-3-2-34 (2011), the State Superintendent of Education has the authority to, among other things, "[r]evoke, refuse to issue, suspend, recall, non-renew, or impose any other condition or requirement authorized by this Rule upon a certificate for just cause." Also, the State Superintendent may suspend the certificate or license of a teacher when, after a reasonable and diligent effort, a notice of proposed action could not be served upon the teacher, Alabama Administrative Code, Rule 290-3-2-34(6) (2011).

The actions listed below were taken following my previous Report of Certificate Invalidations and Probations. The actions listed should not be construed to mean that for any given person, he or she was necessarily found guilty of any immoral conduct or unbecoming or indecent behavior. For details regarding the actions listed below, please contact the Office of Educator Certification.
