**RE:** Chalkable Training Survey

The Alabama State Department of Education staff is working with Chalkable (formerly STI-PD) to develop training for local education agency personnel to effectively utilize the full capabilities of the Chalkable software. At the link below you will find a brief needs assessment survey. Please distribute this survey link to your teachers, administrators, counselors, and district leaders. We will use the results of the survey to identify areas for upcoming training opportunities.

To take the survey, please click on the link below:
