Reason/Rationale: _____

We will transfer this allocation to:

- Equipping School Buses with Wi-Fi Capabilities (B)
Amount to be transferred: _____
- Academic Support to Bridge Learning and Achievement Gaps of Students (C)
Amount to be transferred: _____

NOTE: Only answer the questions below that apply to how the LEA will use GEER funds.

2A. Equitable Services Assurances

The LEA Superintendent or his/her authorized representative assures or certifies the following:

- The LEA receiving GEER funds will provide equitable services to students and teachers in non-public schools located within the LEA in the same manner as provided under Section 1117 of the ESEA as determined through timely and meaningful consultation with representatives of non-public schools.
- The LEA will ensure that a public agency will maintain control of funds for the services and assistance provided to a non-public school under the GEER fund.
- The LEA will ensure that a public agency will have title to materials, equipment, and property purchased with GEER funds.
- The LEA will ensure that services to a non-public school with GEER funds will be provided by a public agency directly, or through contract with, another public or private entity.

Provide a brief explanation answering the following questions:

- 1) Were services from private schools accepted or refused in your LEA?
- 2) If services were accepted by private schools, who accepted and what allocation did they receive?
- 3) When did private schools in your LEA receive timely and meaningful consultation?
- 4) What services will each private school receive and when will the services be implemented?
- 5) How will GEER funds be used to improve remote learning services and support technical capacity and access at private schools within your LEA?
- 6) If a private school administrative set-aside is being taken by the LEA, what is the allocation and how will it be used?

Equitable services were offered to the 2 private schools in our district: Veritas Learning Center and Victory Baptist, both declined participation.
Questions 2 - 6 are not applicable.

2B. Equipping School Buses with Wi-Fi Capabilities

Provide details as to how the LEA will use GEER funds to connect Wi-Fi to district buses.

Alexander City Schools has chosen to transfer the \$47,397.00 allocation to equip buses with wifi to the Learning and Achievement Gaps allocation. This allocation is not sufficient to equip all of our buses with wifi and will be more beneficial to students to use in addressing the learning and achievement gaps that will be a result of the COVID-19 school closure.

2C. Additional Academic Supports to Bridge Learning and Achievement Gaps

Applicable Grade-Level(s) (Check all that apply):

Pre-K K 1st 2nd 3rd 4th 5th

Applicable Support(s) (Check all that apply):

Reading/ELA Family Engagement/At-Home Learning Resources
 Math Family Engagement/At-Home Learning Resources
 Dyscalculia-Specific Screener
 Dyslexia-Specific Screener
 Vulnerable Populations Resources or Supports ES MS HS

NOTE: Only answer the questions below that apply to supports selected above by the LEA.

Reading and Math Family Engagement/At-Home Learning Resources

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- Aligns to Alabama ELA and/or math course of study standards;
- Provides opportunities to extend learning and build connections at home;
- Reinforces key grade level concepts;
- Includes grade-level appropriate manipulatives for math and literature for reading;
- Provides individual student opportunities for both intervention and enrichment activities; and
- Includes easy-to-follow planning calendars or activity suggestions for families.

Four secondary interventionist will be hired for grades 7 - 12. These Interventionist will provide support to students that have been identified to have gaps in mastery of the Alabama ELA and/or math standards. These gaps will be identified through the administration of iReady assessments. These assessments and instructional services will be purchased using these funds, as well. The iReady assessments are aligned to the Alabama ELA and math standards. The assessments measure mastery of the standards and the instructional services provide activities and lessons to address standards that have not been mastered. These lessons and activities can be used to remediate, however, they can also be used to enrich student learning. This program and its components are effective in extending learning through the virtual or remote setting.

We will hire virtual school teachers and contract with retired teachers to provide instruction and support to those students that have chosen to attend school virtually.

Funds will also be used to purchase a virtual program to be used in the band classes. This program provides instruction in instrumentation and music standards that can be taught in a remote setting. The Unique Learning System will be purchased for each multi-needs class as well as two additional classes for those schools that have students on AAA, but not in the multi-needs classroom.

Dyscalculia Screener

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- **Identifies dyscalculic tendencies in students and is not time intensive to administer;**
- **Recommends intervention strategies;**
- **Presents easy to interpret reports and information on a student's strengths and weaknesses;**
- **Provides diagnostic reports for teachers;**
- **Provides parent reports and guidance; and**
- **Provide additional opportunities to screen students beyond grade 3.**

NA

Dyslexia-Specific Screener

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- **Aligns to evidence-based science of reading criteria;**
- **Provides ability and options to universally screen, identify risks, progress monitor, and/or report results in a seamless system;**
- **Provides recommendations for intervention strategies and/or individualized learning paths to help close achievement gaps; and**
- **Provides additional opportunities to screen students beyond grade 3 (if applicable).**

We will purchase the iReady assessment system for grades 9 - 12. It includes a dyslexia specific screener. We will use the iReady Reading Assessment to universally screen all students in grades 9 - 11. Once they have been screened, teachers will analyze results to identify students with dyslexia specific characteristics. These students will be further screened and provided interventions by the reading interventionist. iReady also includes instructional services that provides remedial lessons for students with dyslexia specific characteristics.

Vulnerable Populations Supports

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- Provides streamlined approach to gather, use, and monitor identified vulnerable population data;
- Includes tools or resources to assist with development and/or implementation of individualized plans for specific needs of students;
- Includes communication tools to ensure meaningful communication in a language understood by the parents/guardians;
- Provides evidence-based learning activities that align to students' plans; and
- Provides other related or applicable services specific to vulnerable populations.

We will purchase the Unique Learning System to provide students in vulnerable populations with appropriate instruction and meaningful and respectful tasks. We are also going to purchase a program to provide social and emotional learning supports for students in grades PreK - 12. This resource will be used to address social and emotional needs that may be barriers to student achievement and learning.

**We will also purchase additional seats of Edgenuity to address the needs of virtual students and students that have are in need of remediation due to the extended school closure. These seats will also be used for credit recovery for students that might need such a service.

Funds will also be used to purchase a virtual program to be used in band classes, the Make Music program. This program provides instruction in instrumentation and music standards that can be taught in a remote setting.

The Unique Learning system will be purchased for each multi-needs class, as well as two additional classes for those schools that have students on AAA, but not in the multi-needs classroom. Multi-needs curriculum aligned to alternate standards can be implemented face-to-face and/or online. The Unique Learning System is an all-in-one learning platform with content that is differentiated and aligned to meet the AAS standards.

**We will also pay teachers a stipend to provide/facilitate virtual courses in CTE/core courses for students that have chosen virtual learning due to COVID-19. These duties will be performed after school, beyond the normal work hours.

2D. Before/After School Tutoring

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- Aligns to *Alabama Literacy Act* requirements for students who are identified with a reading deficiency;
- Provides learning opportunities outside of the traditional school day; and
- Includes description of employee duties/responsibilities aligned to intensive intervention needs.

We will hire tutors for the Breakfast Club. These tutors will be teachers that have been trained in the science of reading. They will use student results from the universal screening using iReady to identify students with reading deficits. Once the students have been identified the tutors will use Edgenuity and iReady instructional services to provide remediation of skills not mastered. Tutors will also provide interventions based on the science of reading in small group settings. Tutors will be responsible for collaborating with the classroom teacher on a plan of study for each student.

3. Budget Development

The LEA Superintendent or his/her authorized representative assures or certifies the following:

The LEA will use GEER funds for activities outlined in the application and allowable under Section 18002(c) of Division B of the CARES Act. The United States Department of Education **does not** expect administrative or executive salaries and benefits for IHEs, SEAs, or the other education related entities referenced at Section 18002(c)(3) to be a lawful purpose for GEER funds.

How will the LEA plan for implementation and measure impact for effectiveness for purchases identified?

The LEA will meet with instructional leaders to plan the most effective implementation of all programs purchased. Instructional leaders and district directors will monitor and observe tutors in the before school program. Effectiveness will be measured by student growth as measured by iReady in grades K-11.

What is the proposed timeline for providing services and assistance to students and staff?

It is proposed that we will begin all services and programs on September 8, 2020 and continue through May 28, 2020.

OTHER ASSURANCES AND CERTIFICATIONS

4. Other Assurances and Certifications

The LEA Superintendent or his/her authorized representative assures or certifies the following:

- The LEA that receives GEER funds will, to the greatest extent practicable, continue to pay its employees and contractors during the period of any disruptions or closures related to COVID-19 in compliance with Section 18006 of Division B of the CARES Act.
- The LEA will comply with the maintenance of effort provision in Section 18008(a) of Division B of the CARES Act absent waiver by the Secretary pursuant to Section 18008(b) thereof.
- The LEA will cooperate with any monitoring policies and/or procedures with regards to the allowability of expenditures.
- The LEA will cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals for interview and examination, upon request.
- The LEA will use GEER funds for purposes that are reasonable, necessary, and allocable under the CARES Act.
- The LEA will comply with the provisions of all applicable acts, regulations and assurances; the provisions of Education Department General Administrative Regulations in 34 CFR Parts 75, 76, 77, 81, 82, 84, 86, 97, 98, and 99; the OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR Part 180, as adopted and amended as regulations of the Department in 2 CFR Part 3485; and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR Part 200, as adopted and amended as regulations of the Department in 2 CFR Part 3474.

5. Section 427 of the General Education Provisions Act Assurances

The LEA Superintendent or his/her authorized representative assures or certifies the following:

(a) The purpose of this section is to assist the Department in implementing the Department's mission to ensure equal access to education and to promote educational excellence throughout the Nation, by -

(1) ensuring equal opportunities to participate for all eligible students, teachers, and other program beneficiaries in any project or activity carried out under an applicable program; and

(2) promoting the ability of such students, teachers, and beneficiaries to meet high standards.

(b) The Secretary shall require each applicant for assistance under an applicable program (other than an individual) to develop and describe in such applicant's application the steps such applicant proposes to take to ensure equitable access to, and equitable participation in, the project or activity to be conducted with such assistance, by addressing the special needs of students, teachers, and other program beneficiaries in order to overcome barriers to equitable participation, including barriers based on gender, race, color, national origin, disability, and age.

(c) The Secretary may establish criteria and provide technical assistance for meeting the requirements of this section.

(d) Nothing in this section shall be construed to alter in any way the rights or responsibilities established under the

What steps does the LEA propose to take to permit students, teachers, and *other program* beneficiaries to overcome barriers (including barriers based on gender, race, color, national origin, disability, and age) that impede equal access to, or participation in, the program?

All students will be provided the opportunity to participate in programs that are designed for the general education settings. Those that are designed for vulnerable populations will provided to students that have been identified as needing those services or programs after assessments have been administered. No student will be denied services or participation based upon gender, race, color, national origin, disability, or age.

6: Section 442 of the General Education Provisions Act Assurances

The LEA Superintendent or his/her authorized representative assures or certifies the following:

(a) Each local educational agency which participates in an applicable program under which Federal funds are made available to such agency through a State agency or board shall submit to such agency or board a general application containing the assurances set forth in subsection (b). The application shall cover the participation by that local educational agency in all such programs.

(b) The general application submitted by a local education agency under subsection (a) shall set forth assurances

(1) that the local educational agency will administer each program by the application in accordance with all applicable statutes, regulations, program plans, and applications;

(2) that the control of funds provided to the local educational agency under each program, and title to property acquired with those funds, will be in a public agency and that a public agency will administer those funds and property;

(3) that the local educational agency will use fiscal control and fund accounting procedures that will ensure proper disbursement of, and accounting for, Federal funds paid to that agency under each program;

(4) that the local educational agency will make reports to the State agency or board and to the Secretary as may reasonably be necessary to enable the State agency or board and the Secretary to perform their duties and that the local educational agency will maintain such records, including the records required under section 443, and provide access to those records, as the State agency or board or the Secretary deem necessary to perform their duties;

(5) that the local educational agency will provide reasonable opportunities for the participation by teachers, parents, and other interested agencies, organizations, and individuals in the planning for and operation of each program;

(6) that any application, evaluation, periodic program plan or report relating to each program will be made readily available to parents and other members of the general public;

(7) that in the case of any project involving construction -

(A) the project is not inconsistent with overall State plans for the construction of school facilities, and

(B) in developing plans for construction, due consideration will be given to excellence of architecture and design and to compliance with standards prescribed by the Secretary under section 504 of the Rehabilitation Act of 1973 in order to ensure that facilities constructed with the use of Federal funds are accessible to and usable by individuals with disabilities;

(8) that the local educational agency has adopted effective procedures for acquiring and disseminating to teachers and administrators participating in each program significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects; and

(9) that none of the funds expended under any applicable program will be used to acquire equipment (including computer software) in any instance in which such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or any affiliate of such an organization.

(c) A general application submitted under this section shall remain in effect for the duration of the program it covers. The State agencies or boards administering the programs covered by the application shall not require the submission or amendment of such application unless required by changes in Federal or State law or by other significant change in the circumstances affecting an assurance in such application.

To the best of my knowledge and belief, all the information and data in this agreement are true and correct. I acknowledge and agree that the failure to comply with all Assurances and Certifications in this agreement, all relevant provisions and requirements of the CARES Act, Pub. L. No. 116-136 (March 27, 2020), or any other applicable law or regulation may result in liability under the False Claims Act, 31 U.S.C. § 3729, et seq.; OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR Part 180, as adopted and amended as regulations of the Department in 2 CFR Part 9485; and 18 U.S.C. § 1001, as appropriate.
