2A. Equitable Services Assurances

The LEA Superintendent or his/her authorized representative assures or certifies the following:

- The LEA receiving GEER funds will provide equitable services to students and teachers in non-public schools located within the LEA in the same manner as provided under Section 1117 of the ESEA as determined through timely and meaningful consultation with representatives of non-public schools.
- The LEA will ensure that a public agency will maintain control of funds for the services and assistance provided to a non-public school under the GEER fund.
- The LEA will ensure that a public agency will have title to materials, equipment, and property purchased with GEER funds.
- The LEA will ensure that services to a non-public school with GEER funds will be provided by a public agency directly, or through contract with, another public or private entity.

Provide a brief explanation answering the following questions:

- 1) Were services from private schools accepted or refused in your LEA?**
- 2) If services were accepted by private schools, who accepted and what allocation did they receive?**
- 3) When did private schools in your LEA receive timely and meaningful consultation?**
- 4) What services will each private school receive and when will the services be implemented?**
- 5) How will GEER funds be used to improve remote learning services and support technical capacity and access at private schools within your LEA?**
- 6) If a private school administrative set-aside is being taken by the LEA, what is the allocation and how will it be used?**

1) Private school services were declined/ Proper documentation is attached

2B. Equipping School Buses with Wi-Fi Capabilities

Provide details as to how the LEA will use GEER funds to connect Wi-Fi to district buses.

We will send out bids to vendors to Equip 25 Dale County school buses with WIFI. These buses will be strategically located within the county to provide WIFI on the bus, and possibly provide hotspots throughout our communities that have no or limited WIFI availability. All applicable bid laws will be followed in making this purchase.

2C. Additional Academic Supports to Bridge Learning and Achievement Gaps

Applicable Grade-Level(s) (Check all that apply):

Pre-K K 1st 2nd 3rd 4th 5th

Applicable Support(s) (Check all that apply):

- Reading/ELA Family Engagement/At-Home Learning Resources
 - Math Family Engagement/At-Home Learning Resources
 - Dyscalculia-Specific Screener
 - Dyslexia-Specific Screener
 - Vulnerable Populations Resources or Supports
- ES MS HS

NOTE: Only answer the questions below that apply to supports selected above by the LEA.

Reading and Math Family Engagement/At-Home Learning Resources

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- Aligns to Alabama ELA and/or math course of study standards;
- Provides opportunities to extend learning and build connections at home;
- Reinforces key grade level concepts;
- Includes grade-level appropriate manipulatives for math and literature for reading;
- Provides individual student opportunities for both intervention and enrichment activities; and
- Includes easy-to-follow planning calendars or activity suggestions for families.

The remote learning platform School PLP will provide the curriculum through Schoology Learning Management system. Critical standards, as identified by the Alabama State Department of Education, will be the focus. A director will be hired to oversee the remote learning curriculum and follow-up with parent/teacher communication to ensure success in the remote learning platform. We will also provide a part-time Instructional specialist to assist our current instructional coaches identifying targeted weaknesses in students and providing intervention and remediation plans for students. The Instructional specialist will also assist in promoting parental engagement and communication during the process, with an emphasis on providing timely and relative resources.

Dyscalculia Screener

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- Identifies dyscalculic tendencies in students and is not time intensive to administer;
- Recommends intervention strategies;
- Presents easy to interpret reports and information on a student's strengths and weaknesses;
- Provides diagnostic reports for teachers;
- Provides parent reports and guidance; and
- Provide additional opportunities to screen students beyond grade 3.

NA

Dyslexia-Specific Screener

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- Aligns to evidence-based science of reading criteria;
- Provides ability and options to universally screen, identify risks, progress monitor, and/or report results in a seamless system;
- Provides recommendations for intervention strategies and/or individualized learning paths to help close achievement gaps; and
- Provides additional opportunities to screen students beyond grade 3 (if applicable).

AimsWeb Plus will be used for 3 benchmark screenings and formative assessments throughout the year. The Shegwitz Dyslexia screener and other specific Diagnostics will be used. The AimsWeb Plus data will be used to diagnose and help determine specific deficits and help determine instructional grouping.

Vulnerable Populations Supports

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- Provides streamlined approach to gather, use, and monitor identified vulnerable population data;
- Includes tools or resources to assist with development and/or implementation of individualized plans for specific needs of students;
- Includes communication tools to ensure meaningful communication in a language understood by the parents/guardians;
- Provides evidence-based learning activities that align to students' plans; and
- Provides other related or applicable services specific to vulnerable populations.

AimsWeb Plus and Moby Max data will be used to determine Tier III groups. Reading plans, as required by the Alabama Literacy Act, will be developed for the students showing significant deficits. The SPIRE reading program will be used for intensive intervention. An At-Risk coordinator will assist local literacy specialist with reading plans and target data to help close achievement gaps. Evidence based activities will be developed after ongoing professional development. The instructional specialist and Remote learning specialist will communicate with building Principals and pertinent information will be relayed to parents through Remind, Email, and conference calls. We will also utilize transact and our central office translator for communication with parents that have language barriers.

2D. Before/After School Tutoring

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- Aligns to *Alabama Literacy Act* requirements for students who are identified with a reading deficiency;
- Provides learning opportunities outside of the traditional school day; and
- Includes description of employee duties/responsibilities aligned to intensive intervention needs.

Students who have been assigned a reading plan will be provided additional support through before and after school tutorial programs. Explicit lessons to target specific identified weaknesses will be developed.

3. Budget Development

The LEA Superintendent or his/her authorized representative assures or certifies the following:

The LEA will use GEER funds for activities outlined in the application and allowable under Section 18002(c) of Division B of the CARES Act. The United States Department of Education **does not** expect administrative or executive salaries and benefits for IHEs, SEAs, or the other education related entities referenced at Section 18002(c)(3) to be a lawful purpose for GEER funds.

How will the LEA plan for implementation and measure impact for effectiveness for purchases identified?

All proper DCBOE policy will be followed in hiring individuals for identified jobs. All purchases will follow applicable bid law. Effectiveness will be measured by student achievement data as well as ease in implementation of the remote learning platform. Targeted students should see measurable growth on AimsWebplus benchmark screening and assessments.

What is the proposed timeline for providing services and assistance to students and staff?

The remote learning specialist will be used throughout the 20/21 school year. The Instructional specialist will be used throughout the 20/21 and the 21/22 school year. Before and after school tutoring/intervention will be implemented for the duration of the GEER funding. Bids will be opened for the WiFi on buses and will be installed as soon as a bid is accepted in the Fall of 2020. All services will be concluded by September 30, 2022.

6. Section 442 of the General Education Provisions Act Assurances

The LEA Superintendent or his/her authorized representative assures or certifies the following:

(a) Each local educational agency which participates in an applicable program under which Federal funds are made available to such agency through a State agency or board shall submit to such agency or board a general application containing the assurances set forth in subsection (b). The application shall cover the participation by that local educational agency in all such programs.

(b) The general application submitted by a local education agency under subsection (a) shall set forth assurances

(1) that the local educational agency will administer each program by the application in accordance with all applicable statutes, regulations, program plans, and applications;

(2) that the control of funds provided to the local educational agency under each program, and title to property acquired with those funds, will be in a public agency and that a public agency will administer those funds and property;

(3) that the local educational agency will use fiscal control and fund accounting procedures that will ensure proper disbursement of, and accounting for, Federal funds paid to that agency under each program;

(4) that the local educational agency will make reports to the State agency or board and to the Secretary as may reasonably be necessary to enable the State agency or board and the Secretary to perform their duties and that the local educational agency will maintain such records, including the records required under section 443, and provide access to those records, as the State agency or board or the Secretary deem necessary to perform their duties;

(5) that the local educational agency will provide reasonable opportunities for the participation by teachers, parents, and other interested agencies, organizations, and individuals in the planning for and operation of each program;

(6) that any application, evaluation, periodic program plan or report relating to each program will be made readily available to parents and other members of the general public;

(7) that in the case of any project involving construction -

(A) the project is not inconsistent with overall State plans for the construction of school facilities, and

(B) in developing plans for construction, due consideration will be given to excellence of architecture and design and to compliance with standards prescribed by the Secretary under section 504 of the Rehabilitation Act of 1973 in order to ensure that facilities constructed with the use of Federal funds are accessible to and usable by individuals with disabilities;

(8) that the local educational agency has adopted effective procedures for acquiring and disseminating to teachers and administrators participating in each program significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects; and

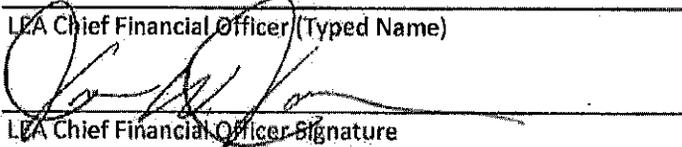

(9) that none of the funds expended under any applicable program will be used to acquire equipment (including computer software) in any instance in which such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or any affiliate of such an organization.

(c) A general application submitted under this section shall remain in effect for the duration of the program it covers. The State agencies or boards administering the programs covered by the application shall not require the submission or amendment of such application unless required by changes in Federal or State law or by other significant change in the circumstances affecting an assurance in such application.

To the best of my knowledge and belief, all the Information and data in this agreement are true and correct. I acknowledge and agree that the failure to comply with all Assurances and Certifications in this agreement, all relevant provisions and requirements of the CARES Act, Pub. L.
