It is our belief that Enterprise City Schools have the desire for and encourage high expectations of both teachers and students. Reform strategies will be expanded to increase expertise to effect the needed changes that will allow us to utilize cross-program coordination, program integration, and student improvement in achieving high academic standards.

The overarching goal is for every child to meet the state academic achievement standard. Students will be given a grade-level appropriate screener and/or assessment to determine learning paths in order to meet their academic abilities. Students in grades K-12 will be offered different levels of academic ability to meet reading and math intervention and enrichment opportunities. These opportunities are designed to meet these students' individual needs and are offered as part of the daily curriculum, after hours and home connections. Resources will be purchased to align with Alabama ELA and/or math courses of study. Based on students' academic abilities they will be assigned to engage in different learning opportunities. Struggling students will be referred to participate in intervention programs to remediate readers/math/science or social studies that are experiencing failure using the regular reading curriculum, which includes Alabama Reading Initiative.

Parents will be provided a monthly calendar with different activities and parental resources. Parent conferences and notification for all K-12 students will be held to discuss identified strategies to use at home and to provide support at school. All students will be provided with appropriate technology and learning opportunities to meet academic learning abilities. Students who select virtual learning will be offered grade-level options for distance learning.

Students in grades K through 12 identify with academic difficulty in reading and math will be providing intervention sessions. These sessions are designed to meet the students individual needs and offer at the heart of a daily curriculum's tools and resources will be purchased to meet the needs of all formal populations. Information we can communicate it with parents in all languages and a breakdown and explanation for them to understand. Resources that will be purchased or used with GEER Funds include technology software: iRead, IXL, Edgenuity, SPIRE and Brain Pop. Technology hardware purchased to help close the academic achievement gap will include headphones with mics, wire computer mice, portable cd players, laptop charging stations and power strips. Classroom teachers and students will be allowed to access programs on site and at home via virtual means.

Subs will be used for all certified and non-certified staff members to offer professional development. Teachers will participate in professional development on closing academic achievement gaps, meeting the needs of social and emotional behaviors, curriculum alignment and Reading Literacy grades K-3.

Administration, certified and non-certified personnel will attend virtual professional development sessions to develop the knowledge and skills they need to address students' academic and behavior learning challenges. Enterprise City Schools will bring in consultants to offer educators teaching strategies, best practices and social emotional & behavior strategies to improve their skills in order to better educate and meet the needs of the whole child.

3. Budget Development
The LEA Superintendent or his/her authorized representative assures or certifies the following:
 The LEA will use GEER funds for activities outlined in the application and allowable under Section 18002(c) of Division B of the CARES Act. The United States Department of Education **does not** expect administrative or executive salaries and benefits for IHEs, SEAs, or the other education related entities referenced at Section 18002(c)(3) to be a lawful purpose for GEER funds.

Total CARES Act - GEER Allocation: **\$421,499.00**

How will the LEA plan for implementation and measure impact for effectiveness for purchases identified?

Enterprise City School meet to discuss a plan moving forward. Needs assessments were completed by all stakeholders. District concerns were discussed with all administration and each individual school meet to discuss data. Grades K-12 teachers will monitor student progress by utilizing data from weekly assessments, progress monitoring, student's individual progress reports, report cards and mandated state assessments which will help determine the success of students in meeting the state's student academic performance standards. These assessments will also be used to provide information to parents and students; assist in diagnosing, prescribing, teaching, and utilizing appropriate learning strategies; evaluate program effectiveness; determine and provide professional development; and revise program components if necessary.

What is the proposed timeline for providing services and assistance to students and staff?

The funds will be utilized as soon as the LEA application is approved by the SEA. All funds will be spent prior to Sept. 22, 2022. The timeline will be fluid to meet the needs of students and faculty with distance learning and remedial services as determined by the Needs Assessment and school data. The practice of proper education and sanitation will continue as it relates to the COVID-19 pandemic.

- The LEA will comply with the maintenance of effort provision in Section 18008(a) of Division B of the CARES Act absent waiver by the Secretary pursuant to Section 18008(b) thereof.
- The LEA will cooperate with any monitoring policies and/or procedures with regards to the allowability of expenditures.
- The LEA will cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals for interview and examination, upon request.
- The LEA will use GEER funds for purposes that are reasonable, necessary, and allocable under the CARES Act.
- The LEA will comply with the provisions of all applicable acts, regulations and assurances; the provisions of Education Department General Administrative Regulations in 34 CFR Parts 75, 76, 77, 81, 82, 84, 86, 97, 98, and 99; the OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR Part 180, as adopted and amended as regulations of the Department in 2 CFR Part 3485; and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR Part 200, as adopted and amended as regulations of the Department in 2 CFR Part 3474.

5. Section 427 of the General Education Provisions Act Assurances

The LEA Superintendent or his/her authorized representative assures or certifies the following:

(a) The purpose of this section is to assist the Department in implementing the Department's mission to ensure equal access to education and to promote educational excellence throughout the Nation, by -

(1) ensuring equal opportunities to participate for all eligible students, teachers, and other program beneficiaries in any project or activity carried out under an applicable program; and

(2) promoting the ability of such students, teachers, and beneficiaries to meet high standards.

(b) The Secretary shall require each applicant for assistance under an applicable program (other than an individual) to develop and describe in such applicant's application the steps such applicant proposes to take to ensure equitable access to, and equitable participation in, the project or activity to be conducted with such assistance, by addressing the special needs of students, teachers, and other program beneficiaries in order to overcome barriers to equitable participation, including barriers based on gender, race, color, national origin, disability, and age.

(c) The Secretary may establish criteria and provide technical assistance for meeting the requirements of this section.

(d) Nothing in this section shall be construed to alter in any way the rights or responsibilities established under the

What steps does the LEA propose to take to permit students, teachers, and other program beneficiaries to overcome barriers (including barriers based on gender, race, color, national origin, disability, and age) that impede equal access to, or participation in, the program?

Enterprise City School System will provide all stakeholders with equal opportunities and equal access to receive the necessary materials, equipment, and services for students to experience success. If any barriers or concerns arise we will address them in a timely manner. It is our goal no one will be overlooked and treated professionally in all matters.

6. Section 442 of the General Education Provisions Act Assurances

The LEA Superintendent or his/her authorized representative assures or certifies the following:

(a) Each local educational agency which participates in an applicable program under which Federal funds are made available to such agency through a State agency or board shall submit to such agency or board a general application containing the assurances set forth in subsection (b). The application shall cover the participation by that local educational agency in all such programs.

(b) The general application submitted by a local education agency under subsection (a) shall set forth assurances

(1) that the local educational agency will administer each program by the application in accordance with all applicable statutes, regulations, program plans, and applications;

(2) that the control of funds provided to the local educational agency under each program, and title to property acquired with those funds, will be in a public agency and that a public agency will administer those funds and property;

(3) that the local educational agency will use fiscal control and fund accounting procedures that will ensure proper disbursement of, and accounting for, Federal funds paid to that agency under each program;

(4) that the local educational agency will make reports to the State agency or board and to the Secretary as may reasonably be necessary to enable the State agency or board and the Secretary to perform their duties and that the local educational agency will maintain such records, including the records required under section 443, and provide access to those records, as the State agency or board or the Secretary deem necessary to perform their duties;

(5) that the local educational agency will provide reasonable opportunities for the participation by teachers, parents, and other interested agencies, organizations, and individuals in the planning for and operation of each program;

(6) that any application, evaluation, periodic program plan or report relating to each program will be made readily available to parents and other members of the general public;

(7) that in the case of any project involving construction -

(A) the project is not inconsistent with overall State plans for the construction of school facilities, and

(B) in developing plans for construction, due consideration will be given to excellence of architecture and design and to compliance with standards prescribed by the Secretary under section 504 of the Rehabilitation Act of 1973 in order to ensure that facilities constructed with the use of Federal funds are accessible to and usable by individuals with disabilities;

(8) that the local educational agency has adopted effective procedures for acquiring and disseminating to teachers and administrators participating in each program significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects; and

(9) that none of the funds expended under any applicable program will be used to acquire equipment (including computer software) in any instance in which such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or any affiliate of such an organization.

(c) A general application submitted under this section shall remain in effect for the duration of the program it covers. The State agencies or boards administering the programs covered by the application shall not require the submission or amendment of such application unless required by changes in Federal or State law or by other significant change in the circumstances affecting an assurance in such application.

To the best of my knowledge and belief, all the information and data in this agreement are true and correct. I acknowledge and agree that the failure to comply with all Assurances and Certifications in this agreement, all relevant provisions and requirements of the CARES Act, Pub. L. No. 116-136 (March 27, 2020), or any other applicable law or regulation may result in liability under the False Claims Act, 31 U.S.C. § 3729, et seq. ; OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR Part 180, as adopted and amended as regulations of the Department in 2 CFR Part 3485; and 18 U.S.C. § 1001, as appropriate.
