2A. Equitable Services Assurances

The LEA Superintendent or his/her authorized representative assures or certifies the following:

- The LEA receiving GEER funds will provide equitable services to students and teachers in non-public schools located within the LEA in the same manner as provided under Section 1117 of the ESEA as determined through timely and meaningful consultation with representatives of non-public schools.
- The LEA will ensure that a public agency will maintain control of funds for the services and assistance provided to a non-public school under the GEER fund.
- The LEA will ensure that a public agency will have title to materials, equipment, and property purchased with GEER funds.
- The LEA will ensure that services to a non-public school with GEER funds will be provided by a public agency directly, or through contract with, another public or private entity.

Provide a brief explanation answering the following questions:

- 1) Were services from private schools accepted or refused in your LEA?**
- 2) If services were accepted by private schools, who accepted and what allocation did they receive?**
- 3) When did private schools in your LEA receive timely and meaningful consultation?**
- 4) What services will each private school receive and when will the services be implemented?**
- 5) How will GEER funds be used to improve remote learning services and support technical capacity and access at private schools within your LEA?**
- 6) If a private school administrative set-aside is being taken by the LEA, what is the allocation and how will it be used?**

2B. Equipping School Buses with WI-Fi Capabilities

Provide details as to how the LEA will use GEER funds to connect WI-Fi to district buses.

2C. Additional Academic Supports to Bridge Learning and Achievement Gaps**Applicable Grade-Level(s) (Check all that apply):**Pre-K K 1st 2nd 3rd 4th 5th **Applicable Support(s) (Check all that apply):**

- Reading/ELA Family Engagement/At-Home Learning Resources
- Math Family Engagement/At-Home Learning Resources
- Dyscalculia-Specific Screener
- Dyslexia-Specific Screener
- Vulnerable Populations Resources or Supports ES MS HS

NOTE: Only answer the questions below that apply to supports selected above by the LEA.**Reading and Math Family Engagement/At-Home Learning Resources**

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- Aligns to Alabama ELA and/or math course of study standards;
- Provides opportunities to extend learning and build connections at home;
- Reinforces key grade level concepts;
- Includes grade-level appropriate manipulatives for math and literature for reading;
- Provides individual student opportunities for both intervention and enrichment activities; and
- Includes easy-to-follow planning calendars or activity suggestions for families.

Building Connections at Home: At home resource bags will be purchased for virtual and traditional/blended students. Kindergarten and first grade standards based materials will be sent home to provide opportunities for extended learning and building connections at home. The at home resource bags will include the following items: bag, dry erase board and marker, paper, pencils, math and reading manipulative, flash cards, construction paper, glue sticks, beach ball for learning activities, primary journal, play dough, dice, board game maker, and index cards.

In order to build home connections, we will contract with certified teachers to be the liaison for parents and students who are working virtually or on the blended approach. This liaison would support the learning and build family connections.

Reading literature will be purchased for students to use traditionally and virtually as needed (most likely in the form of book sets, or digital content).

In order to build math family engagement, we will provide game nights where parents can participate in person or virtually with their children on math manipulative type games that will reinforce math standards and encourage family participation. Materials and supplies will be provided.

Enrichment Activities: STEAM Lab resources and supports. Purchase items for the STEAM lab that would support STEAM education and standards.

Interventionist will be used to create lessons to enhance instruction for students who have mastered grade level standards.

Dyscalculia Screener

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- Identifies dyscalculic tendencies in students and is not time intensive to administer;
- Recommends intervention strategies;
- Presents easy to interpret reports and information on a student's strengths and weaknesses;
- Provides diagnostic reports for teachers;
- Provides parent reports and guidance; and
- Provide additional opportunities to screen students beyond grade 3.

N/A

Dyslexia-Specific Screener

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- Aligns to evidence-based science of reading criteria;
- Provides ability and options to universally screen, identify risks, progress monitor, and/or report results in a seamless system;
- Provides recommendations for intervention strategies and/or individualized learning paths to help close achievement gaps; and
- Provides additional opportunities to screen students beyond grade 3 (if applicable).

N/A

Vulnerable Populations Supports

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- Provides streamlined approach to gather, use, and monitor identified vulnerable population data;
- Includes tools or resources to assist with development and/or implementation of individualized plans for specific needs of students;
- Includes communication tools to ensure meaningful communication in a language understood by the parents/guardians;
- Provides evidence-based learning activities that align to students' plans; and
- Provides other related or applicable services specific to vulnerable populations.

Provide interventionist a contract or a stipend for all contracted time to work with elementary, middle, and high school PST/RII students in reading, math, and social studies, and science.

Reading literature/appropriate skill level text will be purchased for students to use traditionally and virtually as needed (most likely in the form of book sets, or digital content).

Vizzle is a visual platform for students with special needs that customizes student learning using over 15,000 standards based interactive lessons.

Unique Learning (N2Y) is a research based platform which allows teachers to easily create multi-level activities focused on extended standards and customized to each student's learning needs. The Unique Learning system allows teachers to create lessons that bridge to the general education standards. Benchmark assessments, student daily performance, and checkpoints are used to track student performance.

Instructional software will be used to address student learning needs.

2D. Before/After School Tutoring

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- Aligns to *Alabama Literacy Act* requirements for students who are identified with a reading deficiency;
- Provides learning opportunities outside of the traditional school day; and
- Includes description of employee duties/responsibilities aligned to intensive intervention needs.

Summer learning opportunities will be provided for students with a reading deficiency. Depending on the current health situation, the opportunities may be provided in a traditional or virtual format. The certified teacher will provide small group and/or one-to-one lessons to reinforce the skill not mastered. Data (ex. STAR reading/Early Literacy) will be used to determine the skill areas not mastered. Data will be monitored periodically to determine if progress is being made by each individual student. Time will be determined based on each student, group, and school needs.

Before and/or After school tutoring will be provided by certified teachers and/or paraprofessionals. Data will be monitored periodically to determine if progress is being made by each individual student. Time will be determined based on each student, group, and school needs. Teachers/paraprofessionals will be paid according to Pell City Schools current pay scale.

Additional learning opportunities outside of the school day will be offered through clubs. We will have STEAM, Robotics, and other academic clubs where students are able to work on these skills. Materials and supplies will be provided. Club sponsors will develop lessons for students that meet standards. The sponsors will be responsible to maintaining attendance and securing materials for activities with these

3. Budget Development

The LEA Superintendent or his/her authorized representative assures or certifies the following:
 The LEA will use GEER funds for activities outlined in the application and allowable under Section 18002 (c) of Division B of the CARES Act. The United States Department of Education does not expect administrative or executive salaries and benefits for IHEs, SEAs, or the other education related entities referenced at Section 18002 (c)(3) to be a lawful purpose for GEER funds.

Total CARES Act - GEER Allocation: 256,905.00

(NOTE: Make sure to include Equitable Services in the total)

Provide a detailed budget to explain how GEER funds will be used at the LEA as identified by data, needs assessments, and other areas impacted by the COVID-19 pandemic.

What is the proposed timeline for providing services and assistance to students and staff?

As soon as the funds are released for the 3C. Additional Academic Supports to Bridge Learning and Achievement Gaps funds. For the 3D. Before/After School Tutoring funds, will be utilized during the school year as soon as funds are released and summer of 2021.

OTHER ASSURANCES AND CERTIFICATIONS

4. Other Assurances and Certifications

The LEA Superintendent or his/her authorized representative assures or certifies the following:

- The LEA that receives GEER funds will, to the greatest extent practicable, continue to pay its employees and contractors during the period of any disruptions or closures related to COVID-19 in compliance with Section 18006 of Division B of the CARES Act.
- The LEA will comply with the maintenance of effort provision in Section 18008(a) of Division B of the CARES Act absent waiver by the Secretary pursuant to Section 18008(b) thereof.
- The LEA will cooperate with any monitoring policies and/or procedures with regards to the allowability of expenditures.
- The LEA will cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals for interview and examination, upon request.
- The LEA will use GEER funds for purposes that are reasonable, necessary, and allocable under the CARES Act.
- The LEA will comply with the provisions of all applicable acts, regulations and assurances; the provisions of Education Department General Administrative Regulations in 34 CFR Parts 75, 76, 77, 81, 82, 84, 86, 97, 98, and 99; the OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR Part 180, as adopted and amended as regulations of the Department in 2 CFR Part 3485; and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR Part 200, as adopted and amended as regulations of the Department in 2 CFR Part 3474.

5. Section 427 of the General Education Provisions Act Assurances

The LEA Superintendent or his/her authorized representative assures or certifies the following:

(a) The purpose of this section is to assist the Department in implementing the Department's mission to ensure equal access to education and to promote educational excellence throughout the Nation, by -

(1) ensuring equal opportunities to participate for all eligible students, teachers, and other program beneficiaries in any project or activity carried out under an applicable program; and

(2) promoting the ability of such students, teachers, and beneficiaries to meet high standards.

(b) The Secretary shall require each applicant for assistance under an applicable program (other than an individual) to develop and describe in such applicant's application the steps such applicant proposes to take to ensure equitable access to, and equitable participation in, the project or activity to be conducted with such assistance, by addressing the special needs of students, teachers, and other program beneficiaries in order to overcome barriers to equitable participation, including barriers based on gender, race, color, national origin, disability, and age.

(c) The Secretary may establish criteria and provide technical assistance for meeting the requirements of this section.

(d) Nothing in this section shall be construed to alter in any way the rights or responsibilities established under the

What steps does the LEA propose to take to permit students, teachers, and other program beneficiaries to overcome barriers (including barriers based on gender, race, color, national origin, disability, and age) that impede equal access to, or participation in, the program?

Every effort will be made to insure that at-risk, vulnerable, or underrepresented populations benefit from GEER funds and services provided. Students who are economically disadvantaged, or who may face other barriers will be provided targeted access to services. High levels of communication with the at-risk population sectors will be a priority. PCSS is committed to providing communication in a student's native language.

6. Section 442 of the General Education Provisions Act Assurances

The LEA Superintendent or his/her authorized representative assures or certifies the following:

(a) Each local educational agency which participates in an applicable program under which Federal funds are made available to such agency through a State agency or board shall submit to such agency or board a general application containing the assurances set forth in subsection (b). The application shall cover the participation by that local educational agency in all such programs.

(b) The general application submitted by a local education agency under subsection (a) shall set forth assurances

(1) that the local educational agency will administer each program by the application in accordance with all applicable statutes, regulations, program plans, and applications;

(2) that the control of funds provided to the local educational agency under each program, and title to property acquired with those funds, will be in a public agency and that a public agency will administer those funds and property;

(3) that the local educational agency will use fiscal control and fund accounting procedures that will ensure proper disbursement of, and accounting for, Federal funds paid to that agency under each program;

(4) that the local educational agency will make reports to the State agency or board and to the Secretary as may reasonably be necessary to enable the State agency or board and the Secretary to perform their duties and that the local educational agency will maintain such records, including the records required under section 443, and provide access to those records, as the State agency or board or the Secretary deem necessary to perform their duties;

(5) that the local educational agency will provide reasonable opportunities for the participation by teachers, parents, and other interested agencies, organizations, and individuals in the planning for and operation of each program;

(6) that any application, evaluation, periodic program plan or report relating to each program will be made readily available to parents and other members of the general public;

(7) that in the case of any project involving construction -

(A) the project is not inconsistent with overall State plans for the construction of school facilities, and

(B) in developing plans for construction, due consideration will be given to excellence of architecture and design and to compliance with standards prescribed by the Secretary under section 504 of the Rehabilitation Act of 1973 in order to ensure that facilities constructed with the use of Federal funds are accessible to and usable by individuals with disabilities;

(8) that the local educational agency has adopted effective procedures for acquiring and disseminating to teachers and administrators participating in each program significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects; and

(9) that none of the funds expended under any applicable program will be used to acquire equipment (including computer software) in any instance in which such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or any affiliate of such an organization.

(c) A general application submitted under this section shall remain in effect for the duration of the program it covers. The State agencies or boards administering the programs covered by the application shall not require the submission or amendment of such application unless required by changes in Federal or State law or by other significant change in the circumstances affecting an assurance in such application.

To the best of my knowledge and belief, all the information and data in this agreement are true and correct. I acknowledge and agree that the failure to comply with all Assurances and Certifications in this agreement, all relevant provisions and requirements of the CARES Act, Pub. L. No. 116-136 (March 27, 2020), or any other applicable law or regulation may result in liability under the False Claims Act, 31 U.S.C. § 3729, et seq.; OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR Part 180, as adopted and amended as regulations of the Department in 2 CFR Part 3485; and 18 U.S.C. § 1001, as appropriate.
