**NOTE: Only answer the questions below that apply to how the LEA will use GEER funds.**

**2A. Equitable Services Assurances**

*The LEA Superintendent or his/her authorized representative assures or certifies the following:*

- The LEA receiving GEER funds will provide equitable services to students and teachers in non-public schools located within the LEA in the same manner as provided under Section 1117 of the ESEA as determined through timely and meaningful consultation with representatives of non-public schools.
- The LEA will ensure that a public agency will maintain control of funds for the services and assistance provided to a non-public school under the GEER fund.
- The LEA will ensure that a public agency will have title to materials, equipment, and property purchased with GEER funds.
- The LEA will ensure that services to a non-public school with GEER funds will be provided by a public agency directly, or through contract with, another public or private entity.

**Provide a brief explanation answering the following questions:**

- 1) Were services from private schools accepted or refused in your LEA?**
- 2) If services were accepted by private schools, who accepted and what allocation did they receive?**
- 3) When did private schools in your LEA receive timely and meaningful consultation?**
- 4) What services will each private school receive and when will the services be implemented?**
- 5) How will GEER funds be used to improve remote learning services and support technical capacity and access at private schools within your LEA?**
- 6) If a private school administrative set-aside is being taken by the LEA, what is the allocation and how will it be used?**

We have no private schools in our school district.

**2B. Equipping School Buses with Wi-Fi Capabilities**

Provide details as to how the LEA will use GEER funds to connect Wi-Fi to district buses.

Thomasville City School will purchase WIFI Routers for all of their buses and will provide internet access through Geer Funding for all of the routers for the year.

**2C. Additional Academic Supports to Bridge Learning and Achievement Gaps**

Applicable Grade-Level(s) (Check all that apply):

Pre-K  K  1st  2nd  3rd  4th  5th

Applicable Support(s) (Check all that apply):

- Reading/ELA Family Engagement/At-Home Learning Resources
  - Math Family Engagement/At-Home Learning Resources
  - Dyscalculia-Specific Screener
  - Dyslexia-Specific Screener
  - Vulnerable Populations Resources or Supports
- ES  MS  HS

**NOTE: Only answer the questions below that apply to supports selected above by the LEA.**

**Reading and Math Family Engagement/At-Home Learning Resources**

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- Aligns to Alabama ELA and/or math course of study standards;
- Provides opportunities to extend learning and build connections at home;
- Reinforces key grade level concepts;
- Includes grade-level appropriate manipulatives for math and literature for reading;
- Provides individual student opportunities for both intervention and enrichment activities; and
- Includes easy-to-follow planning calendars or activity suggestions for families.

Thomasville City Schools will purchase instructional book bags with materials aligned to the state standards in reading, math, and science. Students will use the materials in the afternoons at home with their parents, through virtual, or face to face contact with a tutor. The materials include everything a student needs to know in their grade level, and it will be used to reinforce the materials covered in class. There are activities that are grade appropriate and have additional manipulative for parents to assist their child in math. There are also enrichment opportunities within the book bag for students. The materials are colored coded for each week and day of the week. It provides flexibility for parents in case they have to miss a day. A rewards system is included, and teachers or interventionist will check in with parents and students weekly.

### **Dyscalculia Screener**

**Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:**

- **Identifies dyscalculic tendencies in students and is not time intensive to administer;**
- **Recommends intervention strategies;**
- **Presents easy to interpret reports and information on a student's strengths and weaknesses;**
- **Provides diagnostic reports for teachers;**
- **Provides parent reports and guidance; and**
- **Provide additional opportunities to screen students beyond grade 3.**

Dyscalculia screening will take place with students being identified as having difficulty in Math and those who are identified as having a Specific Learning Disorder. This screener can be administered for grades pre- K through 9th grade through a checklist. Students older than 9th grade can also be tested. Thomasville City Schools will use Word Press to determine if students have dyscalculia tendencies and strategies will be provided through this program that will train tutors to assist these students in an effort to support them. Teachers will be provided a thorough explanation of the assessment and the results and parent will have a parent friendly explanation in which they can understand. Any students showing a sign of dyscalculia will be screened and tested.

### **Dyslexia-Specific Screener**

**Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:**

- **Aligns to evidence-based science of reading criteria;**
- **Provides ability and options to universally screen, identify risks, progress monitor, and/or report results in a seamless system;**
- **Provides recommendations for intervention strategies and/or individualized learning paths to help close achievement gaps; and**
- **Provides additional opportunities to screen students beyond grade 3 (if applicable).**

Dyslexia screening will be provided for grades K-12. Students showing signs of dyslexia will be provided with extensive testing and intervention through the SPIRE program. This screening will be administered by the reading coach and intervention teachers. The Universal screening results will identify those students who are potentially at risk for reading failures, including those who may have developmental reading disabilities. The intervention planning will entail making data-based decisions for instruction based on the results of the testing. Progress monitoring will be determined if progress is adequate or if more or a different type of intervention is needed. After weeks of progress monitoring has been implemented, a diagnostic evaluation will be administered to determine strengths and weaknesses are a result of an academic problem.

### Vulnerable Populations Supports

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- Provides streamlined approach to gather, use, and monitor identified vulnerable population data;
- Includes tools or resources to assist with development and/or implementation of individualized plans for specific needs of students;
- Includes communication tools to ensure meaningful communication in a language understood by the parents/guardians;
- Provides evidence-based learning activities that align to students' plans; and
- Provides other related or applicable services specific to vulnerable populations.

Thomasville City Schools will use a streamline approach that will analyze students' diagnostic assessment and determine what individualized instructional plan will be used for each student during intervention. These Intervention programs will also be available for vulnerable populations groups such as EL, Special Education, and AT RISK students in the afternoon. These programs include but are not limited to IXL, exact path, touch math, reading eggs, Lift off, and Amplify. These programs will address the needs of the vulnerable population and progress monitor their progress. Enrichment activities will also be offered during this time.

### 2D. Before/After School Tutoring

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- Aligns to *Alabama Literacy Act* requirements for students who are identified with a reading deficiency;
- Provides learning opportunities outside of the traditional school day; and
- Includes description of employee duties/responsibilities aligned to intensive intervention needs.

Thomasville City Schools will purchase instructional book bags with materials aligned to the state standards in reading, math, and science. Students will use the materials in the afternoons at home with their parents or through virtual contact with a tutor. The materials include everything a student needs to know in their grade level, and it reinforces the materials covered at school. There are activities that are grade appropriate and have additional manipulatives for parents to assist their child in math. There are also enrichment opportunities within the book bag for students. The materials are colored coded with each week and day of the week. It provides flexibility for parents in case they have to skip a day. A reward system is included, and teachers or interventionist will check in with parents and students weekly. The afterschool programs will be aligned with the deficiencies according to each child and they will be placed in a program that will address their needs.

Board works K-12 Education will be utilized to provide a wealth of innovative and inspiring ready-made resources, aligned to Common Core standards which are designed for use with Interactive whiteboards, Active Panels, TVs, and data projectors. The resources maximize the use of all existing classroom technology and help teachers teach exciting and engaging lessons across the curriculum. Board works Suite provides a district wide, lifetime license with an update into 1:1 Platform in 2020 and offers a cost-effective cross departmental solution. This interactive video lesson will allow teachers who are not comfortable with content provide tutoring for students who are having difficulty in the classroom and provide direct instruction to assist them.

**3. Budget Development**

*The LEA Superintendent or his/her authorized representative assures or certifies the following:*

The LEA will use GEER funds for activities outlined in the application and allowable under Section 18002(c) of Division B of the CARES Act. The United States Department of Education **does not** expect administrative or executive salaries and benefits for IHEs, SEAs, or the other education related entities referenced at Section 18002(c)(3) to be a lawful purpose for GEER funds.

**How will the LEA plan for implementation and measure impact for effectiveness for purchases identified?**

Thomasville City Schools' plan consist of administering a diagnostic assessment to students at the beginning of the year along with the screeners to see who shows that they are in need of additional instruction. They will use the results of the screeners to see if students need to be assessed to determine intervention. After the programs have been purchased and implemented, the students will be assessed again to determine growth in their deficient areas.

**What is the proposed timeline for providing services and assistance to students and staff?**

Thomasville proposed timeline is from August 2020 until August 2022 for providing services and assistance to students and staff.

**OTHER ASSURANCES AND CERTIFICATIONS**

**4. Other Assurances and Certifications**

*The LEA Superintendent or his/her authorized representative assures or certifies the following:*

- The LEA that receives GEER funds will, to the greatest extent practicable, continue to pay its employees and contractors during the period of any disruptions or closures related to COVID-19 in compliance with Section 18006 of Division B of the CARES Act.
- The LEA will comply with the maintenance of effort provision in Section 18008(a) of Division B of the CARES Act absent waiver by the Secretary pursuant to Section 18008(b) thereof.
- The LEA will cooperate with any monitoring policies and/or procedures with regards to the allowability of expenditures.
- The LEA will cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals for interview and examination, upon request.
- The LEA will use GEER funds for purposes that are reasonable, necessary, and allocable under the CARES Act.
- The LEA will comply with the provisions of all applicable acts, regulations and assurances; the provisions of Education Department General Administrative Regulations in 34 CFR Parts 75, 76, 77, 81, 82, 84, 86, 97, 98, and 99; the OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR Part 180, as adopted and amended as regulations of the Department in 2 CFR Part 3485; and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR Part 200, as adopted and amended as regulations of the Department in 2 CFR Part 3474.

**5. Section 427 of the General Education Provisions Act Assurances**

*The LEA Superintendent or his/her authorized representative assures or certifies the following:*

(a) The purpose of this section is to assist the Department in implementing the Department's mission to ensure equal access to education and to promote educational excellence throughout the Nation, by -

(1) ensuring equal opportunities to participate for all eligible students, teachers, and other program beneficiaries in any project or activity carried out under an applicable program; and

(2) promoting the ability of such students, teachers, and beneficiaries to meet high standards.

(b) The Secretary shall require each applicant for assistance under an applicable program (other than an individual) to develop and describe in such applicant's application the steps such applicant proposes to take to ensure equitable access to, and equitable participation in, the project or activity to be conducted with such assistance, by addressing the special needs of students, teachers, and other program beneficiaries in order to overcome barriers to equitable participation, including barriers based on gender, race, color, national origin, disability, and age.

(c) The Secretary may establish criteria and provide technical assistance for meeting the requirements of this section.

(d) Nothing in this section shall be construed to alter in any way the rights or responsibilities established under the

**6. Section 442 of the General Education Provisions Act Assurances**

*The LEA Superintendent or his/her authorized representative assures or certifies the following:*

(a) Each local educational agency which participates in an applicable program under which Federal funds are made available to such agency through a State agency or board shall submit to such agency or board a general application containing the assurances set forth in subsection (b). The application shall cover the participation by that local educational agency in all such programs.

(b) The general application submitted by a local education agency under subsection (a) shall set forth assurances

(1) that the local educational agency will administer each program by the application in accordance with all applicable statutes, regulations, program plans, and applications;

(2) that the control of funds provided to the local educational agency under each program, and title to property acquired with those funds, will be in a public agency and that a public agency will administer those funds and property;

(3) that the local educational agency will use fiscal control and fund accounting procedures that will ensure proper disbursement of, and accounting for, Federal funds paid to that agency under each program;

(4) that the local educational agency will make reports to the State agency or board and to the Secretary as may reasonably be necessary to enable the State agency or board and the Secretary to perform their duties and that the local educational agency will maintain such records, including the records required under section 443, and provide access to those records, as the State agency or board or the Secretary deem necessary to perform their duties;

(5) that the local educational agency will provide reasonable opportunities for the participation by teachers, parents, and other interested agencies, organizations, and individuals in the planning for and operation of each program;

(6) that any application, evaluation, periodic program plan or report relating to each program will be made readily available to parents and other members of the general public;

(7) that in the case of any project involving construction -

(A) the project is not inconsistent with overall State plans for the construction of school facilities, and

(B) in developing plans for construction, due consideration will be given to excellence of architecture and design and to compliance with standards prescribed by the Secretary under section 504 of the Rehabilitation Act of 1973 in order to ensure that facilities constructed with the use of Federal funds are accessible to and usable by individuals with disabilities;

(8) that the local educational agency has adopted effective procedures for acquiring and disseminating to teachers and administrators participating in each program significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects; and

(9) that none of the funds expended under any applicable program will be used to acquire equipment (including computer software) in any instance in which such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or any affiliate of such an organization.

(c) A general application submitted under this section shall remain in effect for the duration of the program it covers. The State agencies or boards administering the programs covered by the application shall not require the submission or amendment of such application unless required by changes in Federal or State law or by other significant change in the circumstances affecting an assurance in such application.

To the best of my knowledge and belief, all the information and data in this agreement are true and correct. I acknowledge and agree that the failure to comply with all Assurances and Certifications in this agreement, all relevant provisions and requirements of the CARES Act, Pub. L. No. 116-136 (March 27, 2020), or any other applicable law or regulation may result in liability under the False Claims Act, 31 U.S.C. § 3729, et seq.; OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR Part 180, as adopted and amended as regulations of the Department in 2 CFR Part 3485; and 18 U.S.C. § 1001, as appropriate.
