NOTE: Only answer the questions below that apply to how the LEA will use GEER funds.

2A. Equitable Services Assurances

The LEA Superintendent or his/her authorized representative assures or certifies the following:

- The LEA receiving GEER funds will provide equitable services to students and teachers in non-public schools located within the LEA in the same manner as provided under Section 1117 of the ESEA as determined through timely and meaningful consultation with representatives of non-public schools.
- The LEA will ensure that a public agency will maintain control of funds for the services and assistance provided to a non-public school under the GEER fund.
- The LEA will ensure that a public agency will have title to materials, equipment, and property purchased with GEER funds.
- The LEA will ensure that services to a non-public school with GEER funds will be provided by a public agency directly, or through contract with, another public or private entity.

Provide a brief explanation answering the following questions:

- 1) Were services from private schools accepted or refused in your LEA?**
- 2) If services were accepted by private schools, who accepted and what allocation did they receive?**
- 3) When did private schools in your LEA receive timely and meaningful consultation?**
- 4) What services will each private school receive and when will the services be implemented?**
- 5) How will GEER funds be used to improve remote learning services and support technical capacity and access at private schools within your LEA?**
- 6) If a private school administrative set-aside is being taken by the LEA, what is the allocation and how will it be used?**

N/A for University Charter School.

2B. Equipping School Buses with Wi-Fi Capabilities

Provide details as to how the LEA will use GEER funds to connect Wi-Fi to district buses.

University Charter School has two buses used for field trips and athletics. We will use the GEER funds to connect Wi-Fi to our two buses and strategically place the buses for parents and students who are attending virtually to use for Wi-Fi should they not have internet service in their home. Many of our students live in very remote areas of Sumter County and cannot get internet service, therefore, having our buses equipped will provide them an option to be able to access Wi-Fi to complete their assignments and attend virtually.

2C. Additional Academic Supports to Bridge Learning and Achievement Gaps

Applicable Grade-Level(s) (Check all that apply):

Pre-K K 1st 2nd 3rd 4th 5th

Applicable Support(s) (Check all that apply):

- Reading/ELA Family Engagement/At-Home Learning Resources
 - Math Family Engagement/At-Home Learning Resources
 - Dyscalculia-Specific Screener
 - Dyslexia-Specific Screener
 - Vulnerable Populations Resources or Supports
- ES MS HS

NOTE: Only answer the questions below that apply to supports selected above by the LEA.

Reading and Math Family Engagement/At-Home Learning Resources

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- Aligns to Alabama ELA and/or math course of study standards;
- Provides opportunities to extend learning and build connections at home;
- Reinforces key grade level concepts;
- Includes grade-level appropriate manipulatives for math and literature for reading;
- Provides individual student opportunities for both intervention and enrichment activities; and
- Includes easy-to-follow planning calendars or activity suggestions for families.

N/A

Dyscalculia Screener

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- **Identifies dyscalculic tendencies in students and is not time intensive to administer;**
- **Recommends intervention strategies;**
- **Presents easy to interpret reports and information on a student's strengths and weaknesses;**
- **Provides diagnostic reports for teachers;**
- **Provides parent reports and guidance; and**
- **Provide additional opportunities to screen students beyond grade 3.**

N/A

Dyslexia-Specific Screener

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- **Aligns to evidence-based science of reading criteria;**
- **Provides ability and options to universally screen, identify risks, progress monitor, and/or report results in a seamless system;**
- **Provides recommendations for intervention strategies and/or individualized learning paths to help close achievement gaps; and**
- **Provides additional opportunities to screen students beyond grade 3 (if applicable).**

N/A

Vulnerable Populations Supports

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- Provides streamlined approach to gather, use, and monitor identified vulnerable population data;
- Includes tools or resources to assist with development and/or implementation of individualized plans for specific needs of students;
- Includes communication tools to ensure meaningful communication in a language understood by the parents/guardians;
- Provides evidence-based learning activities that align to students' plans; and
- Provides other related or applicable services specific to vulnerable populations.

UCS will use a high-quality evidence-based virtual instruction platform (Edgenuity and/or Odysseyware) to provide students an equitable and appropriate learning experience that will be less negatively affected due to the impacts of COVID-19. These virtual platforms align to Alabama standards in the core content areas. Students will receive individualized support, will progress at an individualized pace, and will be closely monitored and communicated with by a high-quality teacher. Students can receive additional instruction and intervention as well as enrichment opportunities through this virtual instruction design. Instruction is differentiated through the intentional design of the courses where students receive direct instruction, manipulate tasks for practice and refinement of skills, complete self-checks and various informal formative assessment opportunities, and much more. Students receive pacing guides and calendars to ensure they stay on track and students are in constant contact with a live, highly-qualified instructor who is responsible for the delivery of the course. All of these components are supports for vulnerable populations that will help ensure that all students experience a quality and successful learning experience that is unlike their traditional experience. This virtual instruction platform provides communication tools for parents to have access to the course materials, student progress, and additional resources to assist their student(s) in the home learning environment.

2D. Before/After School Tutoring

Describe how the following conditions will be maximized through the purchase of resources, tools, or other supports with the use of GEER funds:

- Aligns to *Alabama Literacy Act* requirements for students who are identified with a reading deficiency;
- Provides learning opportunities outside of the traditional school day; and
- Includes description of employee duties/responsibilities aligned to intensive intervention needs.

N/A as University Charter School will transfer these funds to Academic Supports to Bridge Learning and Achievement Gaps of Students (C).

3. Budget Development

The LEA Superintendent or his/her authorized representative assures or certifies the following:

The LEA will use GEER funds for activities outlined in the application and allowable under Section 18002(c) of Division B of the CARES Act. The United States Department of Education **does not** expect administrative or executive salaries and benefits for IHEs, SEAs, or the other education related entities referenced at Section 18002(c)(3) to be a lawful purpose for GEER funds.

Total CARES Act - GEER Allocation: (NOTE: Make sure to include Equitable Services in the total)	\$27,625.00
--	--------------------

Provide a detailed budget to explain how GEER funds will be used at the LEA as identified by data, needs assessments, and other areas impacted by the COVID-19 pandemic.

How will the LEA plan for implementation and measure impact for effectiveness for purchases identified?

The UCS Leadership Team will comprehensively plan for on-campus and distance learning instruction while also consistently monitor and evaluate the effectiveness of all aspects of the 2020-2021 instructional year. The UCS Leadership Team will meet twice per month to evaluate progress and success throughout the year and to make decisions to future improve the overall level of success for the year. An instructional team will also meet twice per month to support more classroom-level needs (instruction, communication with students and parents, etc.) and to evaluate needs and impact. Throughout all of this monitoring and data collection and evaluation, UCS will keep a consistent focus on the impact of purchased intended to ensure a quality and successful experience for all stakeholders this school year.

What is the proposed timeline for providing services and assistance to students and staff?

August 2020 - Sept 30, 2022

OTHER ASSURANCES AND CERTIFICATIONS

4. Other Assurances and Certifications

The LEA Superintendent or his/her authorized representative assures or certifies the following:

- The LEA that receives GEER funds will, to the greatest extent practicable, continue to pay its employees and contractors during the period of any disruptions or closures related to COVID-19 in compliance with Section 18006 of Division B of the CARES Act.
- The LEA will comply with the maintenance of effort provision in Section 18008(a) of Division B of the CARES Act absent waiver by the Secretary pursuant to Section 18008(b) thereof.
- The LEA will cooperate with any monitoring policies and/or procedures with regards to the allowability of expenditures.
- The LEA will cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals for interview and examination, upon request.
- The LEA will use GEER funds for purposes that are reasonable, necessary, and allocable under the CARES Act.
- The LEA will comply with the provisions of all applicable acts, regulations and assurances; the provisions of Education Department General Administrative Regulations in 34 CFR Parts 75, 76, 77, 81, 82, 84, 86, 97, 98, and 99; the OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR Part 180, as adopted and amended as regulations of the Department in 2 CFR Part 3485; and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR Part 200, as adopted and amended as regulations of the Department in 2 CFR Part 3474.

5. Section 427 of the General Education Provisions Act Assurances

The LEA Superintendent or his/her authorized representative assures or certifies the following:

(a) The purpose of this section is to assist the Department in implementing the Department's mission to ensure equal access to education and to promote educational excellence throughout the Nation, by -

(1) ensuring equal opportunities to participate for all eligible students, teachers, and other program beneficiaries in any project or activity carried out under an applicable program; and

(2) promoting the ability of such students, teachers, and beneficiaries to meet high standards.

(b) The Secretary shall require each applicant for assistance under an applicable program (other than an individual) to develop and describe in such applicant's application the steps such applicant proposes to take to ensure equitable access to, and equitable participation in, the project or activity to be conducted with such assistance, by addressing the special needs of students, teachers, and other program beneficiaries in order to overcome barriers to equitable participation, including barriers based on gender, race, color, national origin, disability, and age.

(c) The Secretary may establish criteria and provide technical assistance for meeting the requirements of this section.

(d) Nothing in this section shall be construed to alter in any way the rights or responsibilities established under the

What steps does the LEA propose to take to permit students, teachers, and *other program* beneficiaries to overcome barriers (including barriers based on gender, race, color, national origin, disability, and age) that impede equal access to, or participation in, the program?

UCS will ensure that all populations have the resources and access needed in order to be successful during this unprecedented year of learning. This can include providing additional support and intervention through instructional specialists for students who are struggling with on campus and with virtual students. UCS can also provide internet access to students who may be learning virtually but are unable to provide reliable access on their own. Students receiving additional services (special education, English language learners, and more) will continue to receive these services regardless of their learning environment. If any barriers arise for any stakeholders, we will address immediately.

6. Section 442 of the General Education Provisions Act Assurances

The LEA Superintendent or his/her authorized representative assures or certifies the following:

(a) Each local educational agency which participates in an applicable program under which Federal funds are made available to such agency through a State agency or board shall submit to such agency or board a general application containing the assurances set forth in subsection (b). The application shall cover the participation by that local educational agency in all such programs.

(b) The general application submitted by a local education agency under subsection (a) shall set forth assurances

(1) that the local educational agency will administer each program by the application in accordance with all applicable statutes, regulations, program plans, and applications;

(2) that the control of funds provided to the local educational agency under each program, and title to property acquired with those funds, will be in a public agency and that a public agency will administer those funds and property;

(3) that the local educational agency will use fiscal control and fund accounting procedures that will ensure proper disbursement of, and accounting for, Federal funds paid to that agency under each program;

(4) that the local educational agency will make reports to the State agency or board and to the Secretary as may reasonably be necessary to enable the State agency or board and the Secretary to perform their duties and that the local educational agency will maintain such records, including the records required under section 443, and provide access to those records, as the State agency or board or the Secretary deem necessary to perform their duties;

(5) that the local educational agency will provide reasonable opportunities for the participation by teachers, parents, and other interested agencies, organizations, and individuals in the planning for and operation of each program;

(6) that any application, evaluation, periodic program plan or report relating to each program will be made readily available to parents and other members of the general public;

(7) that in the case of any project involving construction -

(A) the project is not inconsistent with overall State plans for the construction of school facilities, and

(B) in developing plans for construction, due consideration will be given to excellence of architecture and design and to compliance with standards prescribed by the Secretary under section 504 of the Rehabilitation Act of 1973 in order to ensure that facilities constructed with the use of Federal funds are accessible to and usable by individuals with disabilities;

(8) that the local educational agency has adopted effective procedures for acquiring and disseminating to teachers and administrators participating in each program significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects; and

(9) that none of the funds expended under any applicable program will be used to acquire equipment (including computer software) in any instance in which such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or any affiliate of such an organization.

(c) A general application submitted under this section shall remain in effect for the duration of the program it covers. The State agencies or boards administering the programs covered by the application shall not require the submission or amendment of such application unless required by changes in Federal or State law or by other significant change in the circumstances affecting an assurance in such application.

To the best of my knowledge and belief, all the information and data in this agreement are true and correct. I acknowledge and agree that the failure to comply with all Assurances and Certifications in this agreement, all relevant provisions and requirements of the CARES Act, Pub. L. No. 116-136 (March 27, 2020), or any other applicable law or regulation may result in liability under the False Claims Act, 31 U.S.C. § 3729, et seq.; OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR Part 180, as adopted and amended as regulations of the Department in 2 CFR Part 3485; and 18 U.S.C. § 1001, as appropriate.
