PROGRAMMATIC, FISCAL, AND REPORTING ASSURANCES

The United States Department of Education (USED) has approved the application from the State of Alabama for ESSER funds under the CARES Act. The availability of funds is from 4/29/2020 to 4/29/2021. LEAs will be allowed to expend funds until 9/30/2022. Pre-award costs to the ESSER fund will be allowed for allowable cost incurred on or after March 13, 2020.

2: Allowable Service(s) Assurance

The LEA Superintendent or his/her authorized representative assures or certifies that:
 The LEA will use ESSER funds for activities allowable under section 18003(d) of Division B of the CARES Act. The United States Department of Education **does not** consider the following to be an allowable use of ESSER funds, under any part of 18003: 1) subsidizing or offsetting executive salaries and benefits of individuals who are not employees of the SEA or LEAs or 2) expenditures related to state or local teacher or faculty unions or associations.

How will the LEA determine the most important educational needs as a result of COVID-19?

Athens City Schools will analyze documented needs that have already occurred, and will utilize data from surveys and from formative and summative assessments to determine educational needs. ACS will also follow guidance from the ADPH and CDC as to best practices. This guidance is fluid, and may drive some of our educational needs.

How does the LEA intend to assess and address student learning gaps resulting from the disruption in educational services?

Mid-year testing is being used to determine summer learning needs. Formative and summative assessments will be utilized to assess learning gaps and intensive intervention will be provided to address those learning gaps.
