PROGRAMMATIC, FISCAL, AND REPORTING ASSURANCES

The United States Department of Education (USED) has approved the application from the State of Alabama for ESSER funds under the CARES Act. The availability of funds is from 4/29/2020 to 4/29/2021. LEAs will be allowed to expend funds until 9/30/2022. Pre-award costs to the ESSER fund will be allowed for allowable cost incurred on or after March 13, 2020.

2. Allowable Service(s) Assurance

The LEA Superintendent or his/her authorized representative assures or certifies that:
 The LEA will use ESSER funds for activities allowable under section 18003(d) of Division B of the CARES Act. The United States Department of Education **does not** consider the following to be an allowable use of ESSER funds, under any part of 18003: 1) subsidizing or offsetting executive salaries and benefits of individuals who are not employees of the SEA or LEAs or 2) expenditures related to state or local teacher or faculty unions or associations.

How will the LEA determine the most important educational needs as a result of COVID-19?

The Franklin County school system will determine the most important educational needs as a result of Covid-19 based on supplies needed to help prevent and sanitize facilities, feed the children, and resources needed to close the educational gap due to school closures. This needs assessment included input from key administrative personnel such as school principals, CNP director, Transportation Director, and Maintenance Director. It was determined that additional computer hardware such as Chromebooks would be purchased for the students to check out during remote learning, software programs for student use, additional Janitorial supplies for sanitizing of facilities, as well as maintenance needs to enhance and promote social distancing in classrooms and common student areas (cafeteria, break areas, gyms).

How does the LEA intend to assess and address student learning gaps resulting from the disruption in educational services?

The Franklin County school system will assess student performance upon the return to school with programs purchased with ESSER funds. Examples include Reading Horizons and Imagine Math and Reading. Additional services that will be utilized to close the achievement gap due to school closures will be small group instruction, tutoring programs, and on-line remediation.
