PROGRAMMATIC, FISCAL, AND REPORTING ASSURANCES

The United States Department of Education (USED) has approved the application from the State of Alabama for ESSER funds under the CARES Act. The availability of funds is from 4/29/2020 to 4/29/2021. LEAs will be allowed to expend funds until 9/30/2022. Pre-award costs to the ESSER fund will be allowed for allowable cost incurred on or after March 13, 2020.

2. Allowable Service(s) Assurance

The LEA Superintendent or his/her authorized representative assures or certifies that:

The LEA will use ESSER funds for activities allowable under section 18003(d) of Division B of the CARES Act. The United States Department of Education **does not** consider the following to be an allowable use of ESSER funds, under any part of 18003: 1) subsidizing or offsetting executive salaries and benefits of individuals who are not employees of the SEA or LEAs or 2) expenditures related to state or local teacher or faculty unions or associations.

How will the LEA determine the most important educational needs as a result of COVID-19?

The Assistant Superintendent over Instruction, Central Office Executive Team, and Instructional Leadership Staff met on a regular basis during school closing to provide guidance to principals and teachers for student instruction. The group continues to meet to determine learning gaps, to explore methods and resources for learning (blended, virtual, software, devices), and to discuss academic levels and results (including reading) from the last semester of the 2019-2020 school year. Summer reading programs are already in place. In addition, the mental and physical health of our students and staff are top priority. Funds are necessary to address the mental health needs in the school district as well as the purchase of PPE, sanitation supplies, and necessary equipment and furnishings for school facilities.

How does the LEA intend to assess and address student learning gaps resulting from the disruption in educational services?

The Madison County School System will utilize a variety of formative assessments to determine learning gaps that may have occurred due to the closing of schools this spring. In K-3 the District will use iReady and mClass to assess reading and math. In grades 4-8 the District will use STAR and in high school Scantron Performance Series. The school system uses a tiered intervention plan to address these gaps. The District also utilizes research-based interventions like Fast ForWord, SPIRE, and REWARDS to address the students most at-risk.
