PROGRAMMATIC, FISCAL, AND REPORTING ASSURANCES

The United States Department of Education (USED) has approved the application from the State of Alabama for ESSER funds under the CARES Act. The availability of funds is from 4/29/2020 to 4/29/2021. LEAs will be allowed to expend funds until 9/30/2022. Pre-award costs to the ESSER fund will be allowed for allowable cost incurred on or after March 13, 2020.

2. Allowable Service(s) Assurance

The LEA Superintendent or his/her authorized representative assures or certifies that:
 The LEA will use ESSER funds for activities allowable under section 18003(d) of Division B of the CARES Act. The United States Department of Education **does not** consider the following to be an allowable use of ESSER funds, under any part of 18003: 1) subsidizing or offsetting executive salaries and benefits of individuals who are not employees of the SEA or LEAs or 2) expenditures related to state or local teacher or faculty unions or associations.

How will the LEA determine the most important educational needs as a result of COVID-19?

Oneonta City Schools has conducted several surveys in regards to the events of the past three months. These surveys have allowed stakeholders to share their concerns with this past spring's distance learning plan and implementation as well as their expectations moving forward into the 2020-21 school year. Results of the surveys show that parents are concerned about keeping their children safe and healthy, both physically and mentally, when they return to school. They also want to ensure that students have all the tools necessary to be successful in distance learning. The results of the surveys, as well as local and state guidance, will help construct the plan that determines the needs of our local district.

How does the LEA intend to assess and address student learning gaps resulting from the disruption in educational services?

Upon return to school in the fall, each school will assess current student needs and develop a plan to address learning gaps. These plans could include remediation during the school day, intervention, and/or before and after school tutoring.
