PROGRAMMATIC, FISCAL, AND REPORTING ASSURANCES

The United States Department of Education (USED) has approved the application from the State of Alabama for ESSER funds under the CARES Act. The availability of funds is from 4/29/2020 to 4/29/2021. LEAs will be allowed to expend funds until 9/30/2022. Pre-award costs to the ESSER fund will be allowed for allowable cost incurred on or after March 13, 2020.

2. Allowable Service(s) Assurance

The LEA Superintendent or his/her authorized representative assures or certifies that:
 The LEA will use ESSER funds for activities allowable under section 18003(d) of Division B of the CARES Act. The United States Department of Education **does not** consider the following to be an allowable use of ESSER funds, under any part of 18003: 1) subsidizing or offsetting executive salaries and benefits of individuals who are not employees of the SEA or LEAs or 2) expenditures related to state or local teacher or faculty unions or associations.

How will the LEA determine the most important educational needs as a result of COVID-19?

Selma City Schools will analyze key achievement and demographic data and assess safety needs. A survey was deployed to determine needs followed by a session designed to specifically prioritize the needs. The needs include: technology, additional staff to prep for reopening and safety protocols, sanitation/health supplies and services, virtual admin/management processes, PD (virtual learning, cleaning, SEL), selfcare and employee assistance program.

How does the LEA intend to assess and address student learning gaps resulting from the disruption in educational services

Midyear Performance Series data was used to identify the 5 overall weakest standards in ELA and Math as well as individual student needs. Data was used to design summer learning. Edgenuity and i-Ready will be used for progress monitoring and assessment. Flexibility within areas such as scheduling, virtual options, support, and services will allow us to meet the diverse needs of our scholars.
