Special Milk Online Application

About Special Milk Online Application

What does it do?

The Child Nutrition Program (CNP) Online Application is a web based application designed to allow CNP participants to submit their yearly applications for participation and monthly site data sheets to the Department of Education for review and approval.

The Special Milk Program provides milk to children in schools, child care institutions and eligible camps that do not participate in other Federal child nutrition meal service programs. The program reimburses schools and institutions for the milk they serve.

- Special Milk → Application: Displays the application that must be submitted yearly by sponsors for participation in the USDA Special Milk program.
- Special Milk → Site Data: Displays the claims reimbursement request that must be submitted monthly for each month the sponsor operated the program.

Who can use this Application?
