Statewide Procurement and Commodity Ordering and Allocation System

About Statewide Procurement and Commodity Ordering and Allocation System

What does it do?

The new SWP and Commodity Ordering System will allow users to place their both their commodity and SWP orders from the Online Application. The new system utilizes the infrastructure already created in the online application to create a single location for all child nutrition related activities.

This module will also allow the internal staff to perform admin functions for both of the programs such as allocation funds and goods.

Who can use this Application?

Only authorized ALSDE, LEA and Sponsor users are able to view this application on the CNP Website (<https://cnpforms.alsde.edu>).
