MEDIA ADVISORY

SCHEDULED PUBLIC MEETING CANCELLED
BECAUSE OF LIVESTREAM TECHNICAL DIFFICULTIES

Montgomery, AL - The Alabama State Department of Education (ALSDE) and the Special Education Advisory Panel (SEAP) scheduled a virtual public meeting to be held on July 29, 2020 via WebEx. The advisory panel members were able to join virtually; however, the public at large was not able to participate due to technical difficulties via livestream. Therefore, the meeting will be rescheduled once a date is provided by SEAP.

The Special Education Services (SES) section sincerely apologizes for this issue and inconveniences caused to participants.

The SES section will continue to promote virtual meetings while enhancing livestream capabilities for public access. Additionally, the SES section will ensure that all critical players (communications, IT and SES staff) are available before and during any virtual meetings involving stakeholders.

Once the ALSDE and SEAP Chair have conferred to determine the availability of advisory panel members, another media advisory will be released with a new date and time.

The Alabama State Department of Education contact for SEAP meetings is Dr. Melissa Card (mcard@alsde.edu; 334-694-4782).

The ALSDE Director for SES is Ms. Crystal Richardson, who can be reached at crystalr@alsde.edu or 334-694-4782.

Please feel free to contact either if you have any questions or concerns.
