Hidden Lake Primary School Student Chosen as Winner for Alabama in Doodle for Google Competition
Google Invites the Public to Vote for Doodle for Google National Finalists!

Montgomery, Ala. – A talented student in Dothan, Alabama could soon have her art on the Google homepage for millions to see.

Google is announcing the 54 State and Territory winners in its 12th Annual Doodle for Google competition, a contest open to K-12 students across the United States to design a Google Doodle inspired by the theme “I show kindness by...”

Emma Cheshire, a student from Hidden Lake Primary School in the Dothan City Schools System, is one of the 54 state and local territory winners from across the country.

Her doodle was selected from thousands of entries received this year. Google will invite the public to vote for their favorite Doodle in order to determine, which students will go on to become one of the 5 National Finalists.

Voting will be open from August 17th - August 21st on the Doodle for Google website: doodle4google.com

Google will announce the five National Finalists in August, one of which will go on to become the national winner.

The winning students will have their Doodle featured on the Google homepage for a day!

National Finalists will each win a $5,000 college scholarship, Google hardware, and custom swag. The overall National Winner will take home a $30,000 college scholarship and their school will also receive a $50,000 tech package towards establishment or improvement of a computer lab or technology program.

If you have any questions or would like to speak to a Google representative about this contest, please send an email to d4g@google.com.
