Students - Join SkillsUSA from your cell phone!

Get started with SkillsUSA by using the link below to enter your membership information right from your cell phone, computer or tablet:

**Step 1** – Go to [www.skillsusa-register.org/join](http://www.skillsusa-register.org/join)

Select your state and enter the registration code for your training program:

Registration Code: **D8954** (example)

**Step 2** – After validation, enter your name, date of birth and gender.

**Step 3** – Please also provide answers to the demographic questions, then click Register. *(Note: These questions are useful for federal funding of career and technical education. Nothing is required of you and any answers are stored separately from your name, date of birth and gender.)*

---

Thank You!

Your information has been registered with your Advisor, who will validate and process all student membership together.

In the meantime, check out how you can get involved with SkillsUSA here: [https://www.skillsusa.org/membership-resources/students/](https://www.skillsusa.org/membership-resources/students/)
