Certification Based on Completion of a Council for Accreditation of Counseling and Related Educational Programs (CACREP) Accredited School Counseling Program

This form must be printed and submitted along with Form KRP.
APPLICATION Part 1 of 2

The Educator Certification Section is unable to determine eligibility for Alabama certification until ALL of the components required below have been received. Applications will not be assigned to a certification specialist for review until at least a completed Form KRP including the personal data barcode page, this Supplement PRK, Supplement KR1 from the college, the $30.00 nonrefundable application fee, and background clearance have been received. The submission of supporting documents ONLY (e.g., Supplement KR1) does not constitute making application for certification. Applicants must meet all Alabama certification requirements in effect on the date that the application is received in the Educator Certification Section. Since certification requirements are subject to change, applicants should review current requirements at www.alsde.edu/EdCert (click Other Approaches ☰ CACREP).

Incomplete forms will delay the review of the application packet. APPLICATION FORMS AND SUPPORTING DOCUMENTS ARE NOT ACCEPTED BY FAX OR E-MAIL. Additional documentation may be requested upon review of the file. An application packet for Alabama certification must include the items listed below (as applicable):

☐ Application Part 1 of 2 (Supplement PRK).
☐ Application Part 2 of 2 (Form KRP) including the personal data barcode page.
☐ A $30.00 nonrefundable application fee. The fee must be paid by cashier’s check or money order made payable to the Alabama State Department of Education or through the Alabama State Department of Education Educator Certification Online Payment System, with a major credit card, at www.alabamainteractive.org/education (a $4.00 transaction fee will be applied). Neither personal checks nor cash will be accepted. The cashier’s check, money order, or copy of the receipt verifying the confirmation number for the online payment must accompany the application packet. Each additional certificate for which an applicant is determined to be eligible will require a $30.00 nonrefundable fee for issuance.

☐ Background clearance based on a fingerprint review. Applicants for initial certification, additional certification, and certificate renewal who have not been cleared by both the Alabama State Bureau of Investigation (ASBI) and Federal Bureau of Investigation (FBI) through the Educator Certification Section are required to be fingerprinted for a criminal history background check through the ASBI and FBI. Instructions regarding the fingerprinting process through Cogent Systems may be obtained at https://www.cogentid.com/al/index_adeNew.htm or by calling (866) 989-9316 (toll free).

Applicants may verify whether their ASBI and FBI criminal history background check has been completed and whether they are suitable and fit to teach under state law at http://tcert.alsde.edu/Portal/Public.

☐ All degrees and credits must be verified on an official transcript(s) and submitted to the Educator Certification Section in a sealed envelope from the institution. The applicant’s current full name and social security number must accompany the transcript(s). ☐ Supplement KR1 verifying at least a master’s level CACREP-accredited school counseling program at a regionally accredited senior institution was completed. Supplement KR1 should be forwarded to the dean of education or certification official at the senior institution where the CACREP-accredited school counseling program was completed. The completed Supplement KR1 is to be forwarded by the institution to the applicant in a sealed envelope and should not be opened prior to submission to the Educator Certification Section.

The original of the score report issued to the examinee can be submitted and should be attached. The original report will be returned after it has been entered to the file. A photocopy is NOT acceptable and will delay the certification process.
