

Teacher Training Opportunities for COMPUTER SCIENCE Summer 2019

Registration for the following training events will be paid by A+ College Ready with funding from the Alabama State Department of Education and the Alabama Legislature. In addition, teachers who attend the middle and high school four-day training events (MS Trainings, Code.org CS Principles Training, APSI) will be given a \$500 travel stipend (\$125 per diem) if they attend ALL FOUR FULL DAYS. Teachers who attend BOTH DAYS of the two-day training event (CodeSpace) will be given a \$250 travel stipend (\$125 per diem) if they attend BOTH FULL DAYS. Participants for Beauty and Joy of Computing Training will receive a different type of financial support as described in the event description on Eventbrite.

K – 5 Training Events

Computer Science Fundamentals Training (1 day):

June 21, Thompson High School, Alabaster, AL
[Bit.ly/CSFThompson](http://bit.ly/CSFThompson)

July 12, Decatur High School
[Bit.ly/CSFDecatur](http://bit.ly/CSFDecatur)

Middle School Training Events

Year 1 Computer Science Discoveries Training Events:

[June 4 – June 7, Fairhope High School](#)
[June 18 – 21, Thompson High School, Alabaster, AL](#)
[July 9 – 12, Decatur High School](#)

Year 2 Middle School CS Training Events:

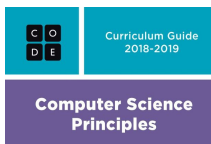

[June 18 – 21, Thompson High School, Alabaster, AL](#)
