RE: Nonpublic School Enrollment Survey

Stephanie Bell
District III

Federal guidelines for the *No Child Left Behind Act of 2001* (NCLB) require that all private and parochial schools within the attendance areas of each local education agency (LEA) be contacted annually and offered the opportunity to participate in those federal programs. Please be mindful that this data request does not serve as the nonpublic schools' invitation to participate in the various federal programs served by the LEA. Although this letter may be a part of the information provided to the nonpublic schools, it does not meet the equitable participation requirements as outlined in NCLB guidance.

Yvette M.
Richardson, Ed.D.
District IV

The data for the current year will be sent to the U.S. Department of Education and will be used to calculate federal allocations to the state for Fiscal Year 2015. Titles II and III allocations are impacted by the private school data.
