RE: Local Indicator Portal

Stephanie Bell
District III

An application portal has been launched for the Local Indicator. The Local Indicator Portal will serve as a tool for capturing the indicators for each local education agency (LEA) and school in the state along with the possible points and points earned. The information in the portal will be fed to the PLAN 2020 Accountability (P2A) application for analysis and for use in the A-F Report Card application.

Yvette M.
Richardson, Ed.D.
District IV
President Pro Tem

The Local Indicator Application is housed in the AIM Portal (<https://aim.alsde.edu>) and uses certain groups in the Education Directory (Ed Dir) to identify the types of users who will have access to the application. As with all AIM applications, users must have an active AIM account. The LEA superintendent or designee is responsible for assigning and placing users in the proper position to view the application.

Ella B. Bell

The Local Indicator Positions are:

Cynthia McCarty, Ph.D.
District VI

- LEA Level - Key Contacts
- School Level
