MEMORANDUM

TO: City and County Superintendents of Education

FROM: Ed Richardson
Interim State Superintendent of Education

RE: Professional Learning Units (PLUs) for Superintendents’ Professional Development Training Courses

As required by Alabama Legislative Acts 2001-706 and 2006-196, professional development training courses in education law, school finance, and instruction are offered each year so that city and county superintendents who have not yet completed the courses may do so. The memorandum dated November 27, 2017, advised of the dates in 2018 that each of the three courses will be offered.

As a reminder to you, the professional learning units (PLUs) awarded at the completion of these courses are not approved by the Alabama Council for Leadership Development (ACLD). Upon successful completion of each course, one (1) local PLU is awarded. These PLUs may be applied toward meeting the requirements for renewal of your Professional Leadership Certificate (PLC). Requirements for renewal of a PLC may be found at www.alsde.edu/EdCert (click on Certificate Renewal: Professional Leadership Certificate).
