

STATE OF ALABAMA  
DEPARTMENT OF EDUCATION

Eric G. Mackey, Ed.D.  
State Superintendent of Education

November 4, 2020

**MEMORANDUM**

**TO:** City and County Superintendents of Education

**FROM:** Eric G. Mackey *EGM*  
State Superintendent of Education

**RE:** Approved *Alabama Literacy Act* Intervention Programs—**REVISED**

The *Alabama Literacy Act* states that each student in Grades K-3 who exhibits a reading deficiency, or the characteristics of dyslexia, based on the results of an early reading assessment, shall be provided an appropriate reading intervention program to address his or her specific deficiencies. The Act specifically outlines:

- “the reading intervention program shall do all of the following:
- (1) Provide explicit, direct instruction that is systematic, sequential, and cumulative in language development, phonological awareness, phonics, fluency, vocabulary, and comprehension, as applicable.
  - (2) Provide daily targeted small group reading interventions based on student need in phonological awareness, phonics including decoding and encoding, sight words, vocabulary, or comprehension.
  - (3) Be implemented during regular school hours.”<sup>1</sup>

After completion of their review process, the Alabama Literacy Task Force (LTF) recommends four (4) programs below for K-3 reading intervention and/or dyslexia-specific intervention as providing direct and explicit teacher-led instruction, being grounded in current research in the science of teaching reading, and best meeting the requirements of the *Alabama Literacy Act*. Additional approved programs are also provided below.
